# Omniphobia Stories

**DP Hallahan**

## **Omniphobia Stories:**

*Omniphobia* Richard H. W. Dillard, 1995 For R H W Dillard morbid gravity and exuberant absurdity are all of a piece *Omniphobia* is seriously funny stuff the reversible wear fiction of a fiery imagination These four stories and three novellas take place in a twilight zone where we have learned to fear the very things we used to trust and their characters find themselves spilled onto the slippery slope of flux and change in the deadly fun house we call contemporary reality The first of the collection s three sections Oh Love Love Love opens with The Bog a novella both touching and uproarious Cosmo Cotswaldo Ph D undertakes to prove that nature can be entered into and controlled through the will But when the chilly humorless feminist Sara Band arrives on the scene his attempts to manipulate this newly found power unleash the truth of his vulnerability to nature in its tide of sexual forces and ultimately in quicksand The short story Their Wedding Journey which follows is the ill fated history of a marriage that circles literally around a wedding cake The second section Way Down Yonder contains a novella and two stories that address the distinct culture of the South while both satirizing and paying tribute to the body of literature that has attempted to define that culture The third section Walking on Shallow Water moves into darker and more dangerous territory The Death Eater is the internal monologue of a diner chef who is obsessively repulsed by the killing and eating of animals So hypnotic is the cadence of his thoughts that the reader almost overlooks the virulence of his actions The final title piece of the collection *Omniphobia* is a novella with four ongoing narratives an urban omniphobe a writer who has not written in more than ten years a political prisoner seeking escape his mental state and movements painstakingly detailed a punk rock singer who wrenches his lyrics from his own experiences and a catalog of phobias from dread of flowers to omniphobia It is an apocalyptic tale of fear and death and salvation that links back to the attempts at taking control and making sense described in The Bog attempts that at last subside in a visionary surrender to a larger vital whole

**Let Me Lie** James Branch Cabell, 2001 When *Let Me Lie* was first published in 1947 most reviewers missed the double meaning of the book s title Deaf to James Branch Cabell s many layered ironic wit they read the book as a paean to the old South Readers of this new paperback edition are unlikely to repeat the mistake *Let Me Lie* is indeed a carefully researched and brilliantly written historical narrative of Virginia from 1559 to 1946 focusing on Tidewater Richmond and the Northern Neck but as a fictional scholar remarks in the book Cabell s history is both accurate and injudicious Virginia s story of itself Cabell claims depends on illusion and myth and his skill as a satirist allows him to construct and deflate these myths simultaneously Ranging from Don Luis de Velasco and Captain John Smith to Edgar Allan Poe and Ellen Glasgow from Confederate heroes to the oddities of the post Civil War Old Dominion *Let Me Lie* remains compulsively readable as history entertainment or both

*Story*, 1995 Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor s place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly

double the earlier edition s written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South s novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary s original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject *The Columbia Companion to the Twentieth-Century American Short Story* Blanche H. Gelfant,2004-04-21 Esteemed critic Blanche Gelfant s brilliant companion gathers together lucid essays on major writers and themes by some of the best literary critics in the United States Part 1 is comprised of articles on stories that share a particular theme such as Working Class Stories or Gay and Lesbian Stories The heart of the book however lies in Part 2 which contains more than one hundred pieces on individual writers and their work including Fitzgerald Hemingway Richard Ford Raymond Carver Eudora Welty Andre Debus Zora Neal Hurston Anne Beattie Bharati Mukherjee J D Salinger and Jamaica Kincaid as well as engaging pieces on the promising new writers to come on the scene *New Stories from the South* Shannon Ravenel,2000-01-01 Stories by writers with Southern backgrounds deal with the modern problems of life in the South *The Georgia Review* ,1995 *The Southern Review* ,1997 *The Virginia Quarterly Review* ,1995 **American Short-story Writers Since World War II.** Patrick Meanor,Joseph McNicholas,2001 Focuses on how the declining market for short story writers after World War II saw the migration of these writers to universities where they not only continued to write but established creative writing classes that would in turn inspire and develop new generations of writers of various genres **The New York Times Index** ,1995 **Book Review Digest** ,1997 New York Times Saturday Book Review Supplement ,1995-04 **South Atlantic Review** ,1995 **Forthcoming Books** Rose Army,1994 **Choice** ,1995 Dictionary of Literary Biography Yearbook ,1995 Conversations on Writing Fiction Alexander Neubauer,1994 Jane Smiley John Irving T Coraghessan Boyle Gail Godwin and nine other prominent masters of the craft share their thoughts about creative writing reflect on their own experiences discuss specific teaching methods and offer advice for other students and teachers American Book Publishing Record ,1995 Chronicles ,1991

Yeah, reviewing a book **Omniphobia Stories** could accumulate your close associates listings. This is just one of the solutions for you to be successful. As understood, feat does not suggest that you have astonishing points.

Comprehending as without difficulty as concord even more than other will manage to pay for each success. neighboring to, the message as well as acuteness of this Omniphobia Stories can be taken as with ease as picked to act.
