## Omygod An Interview:

*OMG!: Oh My God!* Alexander Rutherford, 2024-07-24 OMG the second installment of the unforgettable ALEX S DREAMS trilogy is a page turner that picks up where the first novel BFFs left off. This eye catching story delves further into the complex circle of an ethnically color cast who live by the credo A family of friends is friends of family. The group's young members provide unwavering and unyielding support for one another through thick and thin in good times and bad. From triumph to tragedy this snapshot into the lives of the book's extraordinary characters will leave readers wanting more. And its shocking climax creates suspense for the final book in the series. Alexander Rutherford once again wows readers with his gift to enthrall owing to his meticulous descriptions and attention to detail suspending disbelief and making readers become part of the story because of the author's passion for the written word. His masterful storytelling contains explicit material intended to be read by mature teens to young adults and is not recommended for younger audiences.

that until now has been largely hidden from view Through the details of a single accident Schlosser illustrates how an unlikely event can become unavoidable how small risks can have terrible consequences and how the most brilliant minds in the nation can only provide us with an illusion of control Audacious gripping and unforgettable Command and Control is a tour de force of investigative journalism an eye opening look at the dangers of America's nuclear age
