On Becoming Children Of God:

On Becoming Children of God Ontes,1990-06-01 *How and when Do We Become Children of God?* William Hoste,R. McElheran,1986 **On Becoming Children of God** Wayne Edward Oates,1968 **Child of God Or Child of the Devil?** Robert Adams,2019-09-30 Today many churches have embraced easy believism mental assent to all the facts about Jesus will get them to heaven They say they believe have faith in or have put their trust in the following Scripture GOD SO LOVED THE WORLD THAT HE GAVE HIS ONE AND ONLY SON THAT WHOEVER BELIEVES IN HIM WILL HAVE EVERLASTING LIFE JOHN 3 16 NIV I think these people do believe everything about Jesus from His being deity took on the form of man was sinless took on their sin was punished crucified arose from the grave on the third day is in heaven now and will be the final judge of both the children of God and the children of the devil However the demons also believe everything from Jesus incarnation to the fact he will be their final judge When Jesus approached the demon possessed man the demons said What do you want with us son of God Have you come to torture us before the appointed time Matthew 8 29 NIV In Matthew 7 21 at the final judgement Jesus tells people who have been prophesizing in His name casting out demons in His name and even doing miracles in His name Depart from me I never you We know the demons are not going to heaven but what is missing in the lives of the people who do miraculous things in Jesus name Furthermore Jesus in three of His parables tells us about people that act like think like and believe they are Christians children of God but they are not Believing in Jesus means not only believing in what He did for us but what He said Jesus says there are three other things we must do to become a child of God Other Scriptures declare other requirements for becoming a child of God This book challenges us to examine ourselves to see if we have met and committed to all those requirements *Child-ish* Martin Chandler Welch,2023-10-07 Jesus taught in the Gospel of Matthew Truly I say to you unless you turn and become as children you will never enter the kingdom of heaven Whoever humbles himself like this child is the greatest in the kingdom of heaven How does this apply to us today These devotionals seek to answer that question To become a child is to be that which has already been It is recapturing something lost something perhaps beaten away chased into a corner and shamed into silence For most of us the child we were has been ignored to the point of neglect Each of these 40 Devotionals explores childlike attributes in often radical and challenging ways in the light of God s Word as revealed by His Holy Spirit It is the aim of these devotionals to lead the Christian believer to embrace their childlike faith to regress from worldly influences that stunt true spiritual growth and maturity and to simply become HIS loving child **Becoming God's Child** Victor Obeng Mensah,2024-11-09 Many people believe that all human beings are God s children However the Bible teaches something different While all human beings are God s creation not all are His children Becoming a Child of God 40 Days with Jesus Devotional Guide to Understand What It Means to be A Child of God is an impactful and inspirational devotional designed to help you discover the true meaning of being God s child Over the next 40 days you will embark on a journey of spiritual growth exploring key biblical truths

Being Children of God Shaliah, 2025-10-02 Christianity stands at a crossroads For nearly two millennia inherited distortions have pulled the faith away from the covenantal foundation Jesus upheld What would it look like to peel back the layers of tradition and return to the source Being Children of God Volume 1 A Book of Secrets opens the journey With the lenses of scripture and history this volume uncovers How Jesus truly understood and taught the Hebrew Bible Why His name Yeshua matters more than tradition admits Where Paul's theology reshaped the faith and why it must be tested The hidden structure of Scripture that modern Christianity has forgotten This is not apologetics It is a forensic rediscovery of primitive Judeo Christianity the covenantal faith Jesus called the will of the Father The first of four volumes A Book of Secrets invites readers to recover what is ancient clarify what has been obscured and see the Bible through Jesus's eyes again

Your Father in Heaven Henry Pattarumadathil, 2008 The concept of discipleship in Matthew has been explained in several ways using different identity defining terms from the gospel Such as one who does the will of God one who practises the greater righteousness one who becomes like a child one who carries the cross etc The present study identifies the extensively but selectively used relational appellation Father for God in the gospel as the most important key for understanding the identity of the disciples By examining all the passages where this appellation is used to refer to God as the father of the disciples this study shows that discipleship is viewed in Matthew as a process of becoming children of God Five different dimensions of discipleship christological ecclesiological missiological eschatological and ethical are integrated in this study Discipleship is a process of becoming children of God through Jesus the son one can become a child of God christological by responding affirmatively to Jesus and to his message one enters the earthly family of God and continues his/her journey with other brothers and sisters ecclesiological through their life witness and teachings the disciples attract and invite other people to join them in their process of becoming children of God missiological one becomes irrevocably a child of

God only in the kingdom eschatological to reach this state one should do the will of God and practise the greater righteousness ethical **From the Wretched to Being a Child of God** Daniel Chung,2021-03-29 From the Wretched to Being a Child of God by Daniel Chung _____ *The Mystery and Miracle of New Birth* Uche C. Ekeh,2014-10-05 Redemption for all of humanity has been made available to all through one Man Jesus Christ Salvation is a free and unmerited gift to man from the throne of grace Nonetheless the price of the cross was indeed costly A true relationship with God through Jesus Christ involves more than following a free style doctrine Jesus said Most assuredly I say to you unless one is born again he cannot see the Kingdom of God Jn 3 3 The immediate goal of being born again is to see the Kingdom of God Yet there is an issue of blindness among believers that must be resolved It is not enough be saved join a church or even to become a missionary although these are noble things Undeniably there is a distinct journey for each individual in Christ but one thing that applies to all Christians is the need for obedient adherence to the principles in the Scriptures While some may practice a permissive theology the true sons and daughters of God ought not to cherry pick through the Scriptures to find what they are willing to apply in their own lives Reject one part of the Word of God and you must reject it all or else embrace it all and live it The institutional church with its numerous denominations has no soul to be transformed but each believer does Jesus died to save individual believers not denominational entities God adopts common individuals and they become His unique sons and daughters The Mystery and Miracle of New Birth is for believers who desire to know and practice sound biblical doctrine because doctrine matters **A Single Parent's Guide to Raising Children God's Way** Winsome Tennant,2006-08 The author motivates parents to seek the face of The Creator for the spiritual emotional and social well being of their children Practical Life **On Becoming a Musical, Mystical Bear** Matthew Fox,1976 Spirituality American Style Matthew Fox Blueprint for moderns seeking to renew faith in an age of cultural upheaval **The Catechism Explained** Francis Spirago,1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to heaven Preface

Who Are You? Stacy Miller Ma Pc,2011-09 Who are you What is your identity in Identity defines you and defines your self worth So often we define ourselves by what we do our careers financial statuses families and interests None of those things are bad in and of themselves When they become our identities however they fall short of what our hearts were created for We were created to find our security and self worth through God alone Only in that identity will we find the fullness of
