

How to Be a Great Young Father

On Being A Father

Glen Henry

On Being A Father:

Fatherhood by George George Foreman, 2008-04-15 This father of ten thriving children delivers knock out advice on the art of being a dad George Foreman is an international symbol of a positive attitude determination and athleticism He is also well known for having ten children five boys and five girls As a man who strives to live in obedience to the Ultimate Father Foreman has a powerful perspective on effective godly fatherhood Through his own experiences as a son in a single parent home as a faithful father and now as a grandfather he knows what works and what doesn't all with a dose of humor and humility The goal of this book is to provide commonsense fathering advice and anecdotes to a wide variety of men who themselves are encountering the challenges of fatherhood

Dad Craig Wilkinson, 2013-06-08 As a dad you are the most important man in your children's lives You are your son's first hero and your daughter's first romance The impact you have on them as their dad will last a lifetime It is a challenging time in history to be a father The quality of what we bring as fathers is grounded in who we are as men yet the role of men and the definition of masculinity has never been so unclear Dad addresses this challenge directly It speaks to the hearts of men bringing wisdom and clarity to what it means to be a man and out of that a great father Well researched and filled with personal stories quotes and anecdotes many from the author's own fatherhood journey DAD is both practical and inspiring You will discover What authentic manhood and fatherhood look like The different needs boys and girls have of their fathers The twelve fatherhood principles every dad needs to know How to balance discipline and affirmation How to grow your child's emotional intelligence How to protect your children in a complex world How to deal with any issues you had with your own father How to set your child up for success in life Filled with relevance and rich real life experiences DAD will move you entertain you and equip you with invaluable tools to father your children through every stage of your relationship with them DAD is also available as an online course and can be found at www.thedadbook.co.za Clearly a man who is passionate about being a father who loves his children and who is on a mission to share these fundamental lessons with men all over the world This is definitely one of the best being a great dad books I have read Dr Lehan Stemmet Associate Dean at MIT New Zealand Craig has tons of stories and practical tips to assist you to be better at what will be your most important job on this planet This book should be a school textbook A must read Dr Grant Fourie Founder of BetyaLife As an avid reader and social scientist I generally read beyond content Wilkinson does a wonderful job of jointly knitting personal experience with his own children with the clear message that there are no perfect fathers It is refreshing to accept being human flawed challenged and in need of consistent supervision I am not a father yet but this book solidified and validated my obsessive approach towards the all important role of fatherhood A great read and filled with wonderful anecdotes that make you laugh think and cry Dr Khozhi Makai Author Social Scientist Motivational Coach Founding CEO of Kozhi Makai Worldwide About the Author Craig Wilkinson is a bestselling South African author sought after speaker and consultant who is passionate about equipping men to be great fathers and leaders He is the founder

of Father A Nation FAN a Non Profit organisation that works with men throughout South Africa He believes that if we can heal men we can heal the world An avid hiker mountain biker and nature lover Craig lives in Johannesburg South Africa with his wife Martinique His two adult children Luke and Blythe have both recently left the nest Becoming a Father Charlie Lewis,1986 *The Heart of a Father* Ken Canfield PH.D.,2006-04-01 Every father has a hidden longing to see his children surpass him To help him achieve this Ken Canfield offers a three part plan First a dad should examine his own heart Next he should take steps to improve the way he connects with his children Lastly he should take a longer range view and plan specifically for a lifetime of involved fathering Canfield s plan addresses a father s past a father should resolve his relationship with his own father in order to effectively build a relationship with his children Canfield also explains how to build the four walls or dimensions of fathering involvement awareness consistency and nurturing He then supplies a plan for the future From being a new father to being a grandfather dads face challenges at each stage of their life With the long range perspective this book provides fathers can anticipate and prepare for the changing situations they ll face Based on years of careful research involving thousands of fathers this book is a solid reference tool for dads *The Father's Book* David G. Cohen,2006-02-08 What does being a dad in the 21st Century really mean Men today want to play an active role in the upbringing of their children that means knowing how to cope with them play with them control them and love them Becoming a father however can be an extremely daunting prospect after all it is completely uncharted territory This wonderful book is not only for expectant and new fathers but covers the whole range of issues dads encounter from conception through to teenage traumas Situations such as step fatherhood and the changing relationship with partners are also discussed in a sensitive and informative style The stresses imposed by modern lifestyles on fathers and kids are looked at as well as the problems and benefits encountered by the fact that kids today are often very sophisticated and clued up Chapters include I m Going to be a Dad Bonding for Fathers Discipline Learning to Play Again Teenage Traumas Written in a light hearted yet informative style and including numerous interviews with fathers themselves this book reflects the latest thinking and theories on how to be a good father Being Dad Scott Leonard Keith,Rod Rosenblatt,2017-12-01 Every person is born with a deep longing for a father Being Dad deals with the way fathers and the subject of biblical fatherhood are treated in modern culture Dr Keith brings his experience with family students great mentors and friends to bear on a subject that is crying out for attention Equally he brings his Christian faith a scholarly eye for detail and an ear for story along on the journey and works with the reader to navigate a path to a better country where the Father blesses His children and is honored Forgiven fathers are a gift from God for they have the gospel to proclaim to their families This approach leads to gracious fathers that can now display a shadow of the love of their Heavenly Father so that children may be drawn into saving faith Inspired Parenting Timothy J. Clark,2007-07-30 It is a job defined as one of the most important jobs in the world You can get it without any experience at all Once you have the job you have it for life and may never know if you have

done it right You do not have to get a doctorate to become one or seek advanced degrees to prepare for the various stages of parenting In today s world there are various parenting skills and techniques that we are exposed to and influenced to use in the rearing of our children But do people really examine themselves as to where their parenting skills come from Can they pinpoint the influences that have affected decisions in the way they have chosen to raise their children **Black**

Fatherhood ,2020-05-12 Black Fatherhood explores the joys pain and so much more of a first time father raising his son Although told through his experiences as a father this glimpse into the realities of parenthood and what to expect will surely resonate with mothers and fathers alike When I searched for books on being a father they were too long too detailed didn t connect with me I wanted to create this book so that any teenager and young adult would understand the seriousness of parenthood I also wanted to give the expecting parent a foundation of reality a balance of the tough times and blessings For the seasoned parent I believe this book will make you fondly reminisce about the crazy times you had raising your kid Keith Tate How to Be a Good Dad Bethany Bridges,2015-04-20 The role of a father in a child s life is equally as important as a mother s and the specific ability to raise his children well is what qualifies him to have the title Dad With a strong loving and supportive presence of a father children grow up to be more secure confident independent and successful Furthermore they will be able to become good parents to their own children one day This book brings you useful advice from other men who have walked the same path from mothers who have observed father child relationships and from children who have experienced what it feels like to have a loving supportive relationship with their dads Every man who becomes a father gets to go on a special journey As soon as a baby is conceived every father faces duties and responsibilities that he will have to work to fulfill This book is a comprehensive guide to help fathers accept the responsibilities that come with fatherhood The simple steps and advice in this book will help to make you feel less overwhelmed and instead more prepared **Splashing**

in Puddles: How to Be a Father to Your Daughter David B. Van Heemst,2012-07-06 Many of us feel comfortable raising boys because we were and maybe still are boys We re comfortable with rough and tumble with fishing shooting hoops and geeking out with technology But girls How do you raise a girl More importantly how do you raise a Godly girl Based on the latest research and his personal experience as the father of five daughters author David B Van Heemst details what a father must do in order to give his daughter strong foundations in Christ With statistics anecdotes and discussion questions **Splashing in Puddles** How to Be a Father to Your Daughter brings clarity to fatherhood s complexity Van Heemst shows just how crucial a role the father has in the development of his daughter s relationship with God herself and others Any man can teach her how to ride a bike But only one man can teach her how to walk with God On Being Normal and Other Disorders Paul Verhaeghe,2020-06-16 The central argument of On Being Normal and Other Disorders is that psychic identity is acquired through one s primary intersubjective relationships Thus the diagnosis of potential pathologies must also be founded on this relation Given that the efficacy of all forms of treatment depends upon the therapeutic relation a diagnostic

of this sort has wide ranging applications The author s critical evaluation of the contemporary DSM diagnostic shows that the lack of reference to and governing metapsychology impinges on the therapeutic value of the DSM categories In response to this problem the author sketches out the foundations of such a metapsychology by combining a Freudo Lacanian approach with contemporary empirical research Close attention is paid to the processes of identity acquisition to show how the self and the Other are not two separate entities Rather subject formation is seen as a process in which both the subject s and the Other s identity as well as the relationship between them comes into being

A Man's Greatest Challenge... ...Being a Father David Reedman,2015-10-23 Out of the many experiences of my own life both personally and in working with large numbers of young people and their families I have seen the increasing devastating effect that fatherlessness is having in our society I am a father to me that is a great privilege and honour and I have walked out the journey of raising 3 children of my own and I have also observed the challenges that many men face in being a father To a large extent it was a combination of those 3 factors experiences that challenged me to write a book on what I believe is a mans greatest challenge that of being a father In the book I firstly wanted to highlight briefly some of the consequences of fatherlessness in our society Men need to know that the efforts that they make as fathers are important they are leaving a legacy in the lives of their children that will impact generations And they need to know that the challenges that they face as they seek to father their children are not unique As fathers we are all in the same fight we are all walking out a very similar journey and I want to challenge men afresh to rise up and make a difference in their own homes and families and then in society The majority of the book is designed to pass on the things that I have learnt in my own journey as a father to the next generation of fathers I firstly present what I believe are some of the fundamental requirements of being an effective father things such as love and time and the power of the words that we speak I then focus on six basic steps or principles that apply to becoming an effective father to your children These six steps are both sequential and yet they need to be continually applied to the many different areas of life time and time again you never outgrow them rather they evolve as you and your children grow and mature I then look at the importance of dealing with your children as individuals and encourage men to see things in a long term perspective Life at times does get messy and take unexpected detours but with time we get to see the results that we all desire as men in the lives of our children In all these areas I havent sought to give men a how to guide or a step by step method rather where possible I have endeavoured to share examples from my own family to help explain the principles and to help men work out how to apply the truths to their own families The last thing that I touch on is to address some of the main challenges or obstacles that we as men confront as we seek to be an effective father For each of these areas one could write an entire book on the subject and the ways in which these obstacles work out in a mans life are as varied as men themselves So all that I have done is to raise awareness of these issues and give some broad guidelines to help guide men through them As fathers we are all in the process of learning and growing None of us have arrived but we can all learn from

one another and together we can make a positive change in our society for the benefit of the generations to come Being a father is a mans greatest challenge and it is hard work at times but it is worth it all **Becoming a Dad** Stephen James,David Thomas,2005 Fatherhood is a journey of transformation and is without a doubt a life changing experience Becoming a Dad is for a new father who desires to become more invested with his child his marriage his life and his life story

Father Yourself First Glen Henry,2025-11-04 Discover the secret to becoming the father your family deserves whether you are a first time dad or figuring it out as you go Glen Henry never wanted to be a father He grew up in a broken home and assumed that the role was worthless Then he saw what a good father looked like and became passionate about not only being a good father himself but helping others see what fatherhood could be through his wildly popular YouTube channel Beleaf in Fatherhood Maybe you weren t given a handbook on fatherhood but that doesn t mean you re unprepared In fact you have what it takes to grow into the kind of father your children need In Father Yourself First Glen offers hard earned wisdom honest storytelling and six foundational principles that will help you Father yourself to maintain a healthy inner voice Parent from a place of healing by addressing unresolved issues from your own past Connect with your children by embracing childishness and adventure Identify your children s unique gifts early on and help fine tune their skills into productive habits Establish a community of fathers to exchange values and practices and regularly see examples of healthy fatherhood Whether you re stepping into fatherhood for the first time or figuring it out as you go Father Yourself First will meet you right where you are and walk with you as you become the father your family deserves **EMBRACING DAD HABITS** CONLEY
