Farmers' Bulletin ,1944 The Day the Preacher Was Silenced Rev. H. Meredith Hinds,2012-09-10 Some doctors are baffled at the fact that Rev H Meredith Hinds is still alive today They are saying he is a living miracle Twelve years ago this preacher was diagnosed with cancer of the throat and was not expected to talk again far less preach The chief surgeon told him that during the operation he could not remove much of the tumor because the cancer cells were so aggressive that they had already spread to the main artery of the brain as well as the spinal cord This man was told that the only help available for such a condition as his was radiation treatment However he refused to accept the radiation treatment his doctor had prescribed and decided that he would trust God for his healing instead You will be greatly challenged by the faith of this amazing man of God This work is a vital reading for all It should provide inspiration to those who find themselves in testing situations and also those in search of faith Prof Curwen Best BA UWI MPhil UWI PhD Birmingham Professor of Popular Culture and Literary Studies UWI Cave Hill Campus Barbados Quite frankly your story should be a bestseller here in the USA and abroad It's not only a great book but it's personable and genuine and it probes at the heart making you want to seek God's face even more I also enjoyed that you were not puffed up and afraid to talk about your weaknesses Marisa New Jersey
