

# PROBATION VS. PAROLE

## What's the Difference?

When someone is released from prison, they may be placed on either probation or parole.

### Probation

- Refers to a period of supervision in the community instead of serving time in prison.
- Often given as a sentence instead of prison time or as a condition of early release.
- Can include requirements such as reporting to a probation officer, drug testing, and community service.
- Examples: "The judge sentenced him to five years of probation instead of prison time."

### Parole

- Refers to a period of supervision in the community after serving time in prison.
- Often given as a condition of early release from prison.
- Can include requirements such as reporting to a parole officer, attending counseling, and not committing new crimes.
- Examples: "He was released on parole after serving six years in prison."
