Reading for Beginners In this wonderful book you will discover the wonder of palmistry which is how the details on our palms can tell us more about our inner selves than our conscious minds can. Sounds good so far. Well, why don't you just go ahead and buy your own copy of this book right now. And let's get started with everything that you as a beginner in this art need to know about chiromancy. The book will start with a brief presentation of this practice throughout time with an entire chapter dedicated to the most relevant events in the history of palm reading and an emphasis on the current situation, the position of palm reading in our society. Later chapters deal with specific details that are essential in palm reading. Each of them will give you lists of elements that you need to take into consideration: color, shape, flexibility, consistency, texture, lines, mounts, fingers and nails, with explanations about why such details could be important and possible interpretations for each element. The last chapter will give you important pieces of advice that should guide your entire reading experience, not only the initial phase. Here are some of the things you will learn about: About the beginnings of palm reading. If there is any foundation for the myth that says that palmistry uses Devil's tools. What the shape of each finger tells us. How the natural shape of the nails are relevant. How you can connect the aspect of the skin to physiological and psychological interpretations. What is the name and meaning of each line in the palm. Much, much more. There's a lot more information in this valuable book. I encourage you to get your own copy today and find out how you can improve your skills in chiromancy. Don't let others decide what is valid and valuable for you; see for yourself what palm reading really is and start practicing right now. A new stage of your life is waiting for you. Workbook Laeticia Valverde, 2004 Palmistry is the ancient practice of reading an individual's hands in order to gain an insight into his or her life. A fascinating and precise art, the reading of palms has enthralled many cultures for centuries. The Palmistry Workbook provides a fascinating overview of palm reading, including the history of palmistry, the meaning of the individual lines on the palm, the symbolism of different hand shapes, and the significance of the thumb and fingers. The Palmistry Workbook also explores the connections between the naming of the lines and mounts on the hands and Greek and Roman mythology, astrology and the planets. The Palmistry Workbook is useful not only for beginners but also for those already familiar with palmistry who wish to further explore and enrich their personal understanding of the destinies written on the palm of the hand.
