On Being A Servant Of God

John Peter Lange

On Being A Servant Of God:

On Being a Servant of God Warren W. Wiersbe, 2007-06-01 Sometimes people lose sight of the core of their ministry. They feel overwhelmed by the needs that surround them on a daily basis. Wise and beloved pastor Warren Wiersbe invites ministry leaders to listen in on thirty short armchair chats to encourage and strengthen them for service. He shares what he wishes he had known about ministering to others when he began his own Christian pilgrimage. Ministry, he says, takes place when divine resources meet human needs through loving channels to the glory of God. With this new edition of a classic book which includes a foreword by Jim Cymbala, the next generation of ministry leaders can take advantage of Wiersbe's years of wisdom.

ON BEING A SERVANT OF GOD. WARREN. WIERSBE, 2025 Being a Servant for the Kingdom of God Sean Begle, 2013-11 As Christians we are called to serve; we are called to be servants of the Kingdom of God and servants for the Kingdom of God. This is our job and our responsibility; this is our Christian Calling. We must do what God has called us to do and be who God has called us to be. We need to reach the unreached; we need to tell people who God really and truly is; what God really and truly can do in their life; and what Jesus did for them on the cross. We should want people to get saved; we should want people to be changed; we should want people to make a difference in their life. In being a Christian, we must walk the walk, talk the talk, and live the life that way people can see God in us, see Jesus in us, that they will want to make a turn around and turn to Jesus Christ.

Servant Ministry Tony Horsfall, 2019 Servanthood is something to which all believers are called, not just those in full-time ministry. This means that understanding what servanthood means is vital for the health and well-being of local churches. Every member needs to appreciate their role as a servant of God. At the same time, the principles of servant leadership provide an essential framework for those called specifically to the work of the church, whether at home or overseas. *Servant Ministry* offers a practical exposition of the first Servant Song in Isaiah 42:1-9. Writing from many years of Christian teaching and mentoring, Tony Horsfall applies insights drawn from the Isaiah passage to topics such as the motivation for service and the call to serve, valid expressions of servanthood, and the link between evangelism and social action, character formation, and what it means to be a servant, how to keep going over the long haul in the harsh realities of ministry, the importance of listening to God on a daily basis and also over a whole lifetime.

leadership is the central focus of this volume Jesus our superb and supreme Model was an embodiment of servant leadership A servant leader leads by not lording it over his followership When a leader dedicates himself to serve his people they will eventually be his servants forever The old men told Rehoboam If today you will be a servant to these people and serve them and give them a favourable answer they will always be your servants 1 Kings 12:7 Everyone who will succeed as a leader must appropriate these words Christian leadership hinges heavily on character The man with an abundance of divine love joy peace patience kindness goodness faithfulness gentleness self control endurance and perseverance will definitely attract an increasing following in a foul and perverse world We send this third volume on leadership out with a cry to the Lord that He should use it to build many into leaders of His people capable of leading them into the totality of God's purposes in this generation and beyond
