On Drugs:

The War on Drugs David Farber, 2021-11-30 Fifty years after President Richard Nixon declared a War on Drugs leading scholars examine how drug war policies contributed to the making of the carceral state racial injustice deviant globalization regulatory disasters and a massive underground economy they also point the way forward to a more just and humane drug policy regime

On Drugs David Lenson, Jeff Land, 1999-03-01 It has been more than twenty years since President Nixon declared the War on Drugs In On Drugs David Lenson delivers a scathing indictment of this war as an effort based like all attempts to eradicate getting high on an incomplete understanding of human nature From lotus eaters to hippies to crackheads he contends history has shown the state's inability to legislate the bloodstreams of its citizens Lenson ventures beyond conventional genres to view the drug debate from the largely forgotten perspective of those who use drugs In successfully walking the fine line between the antidrug hysteria of the 1980s and an advocacy of drug use Lenson shatters the ban on debate regarding drugs enforced in the Just Say No campaign and reveals the myriad ways straight society demonizes the drug user After considering several specific issues associated with drug use including sex violence and money Lenson concludes with his vision of the end of the Drug War by questioning the sense in condemning millions of Americans to lives of concealment and deceit

The Palgrave Encyclopedia of Global Security Studies, 2023-02-15 This encyclopedia provides an authoritative guide intended for students of all levels of studies offering multidisciplinary insight and analysis of over 500 headwords covering the main concepts of Security and Non traditional Security and their relation to other scholarly fields and aspects of real world issues in the contemporary geopolitical world

Implementing a gender approach in drug policies: prevention, treatment and criminal justice Sarah Morton, Carine Mutatayi, Kristín I. Pálsdóttir, Nadia Robles Soto, Cristiana Vale Pires, 2022-04-25 Integrating gender into all aspects of drug policy including the criminal justice system In its efforts to place human rights at the heart of drug policies the Pompidou Group has decided to pursue further the work already undertaken towards integrating a gender dimension into drug policy by developing a handbook covering different drug policy areas It seeks to promote gender sensitivity in drug responses as essential leverage to reduce health inequities and to respect human rights especially the rights to diversity and dignity for women men and non binary people The publication begins with an overview of epidemiological evidence on gender based differences in drug use and related consequences The handbook aims at providing policy makers and practitioners in the drug field with evidence based and operational recommendations to develop and implement policies and interventions that better integrate specific gender needs gender sensitive approach and support more gender equity gender transformative approach for people concerned with the provision of drug related prevention and care risk and harm reduction treatment reintegration including in the criminal justice system Faithful to the Pompidou Group's objective of ensuring a link between research policy and practice this handbook first explores theoretical views about gender and drug policy draws on available scientific knowledge and presents

recommendations and examples for practice It is based on extensive debate and a consensus of experts from 13 countries and various professional backgrounds for cross cultural relevance *Index of NLM Serial Titles* National Library of Medicine (U.S.),1984 A keyword listing of serial titles currently received by the National Library of Medicine *Drug Industry Antitrust Act* United States.
