On Fiji Islands:

On Fiji Islands Ronald Wright, 2020 **Fiji Islands** , 2005 **My Twenty-one Years in the Fiji Islands ; And, The Story of the Haunted Line** Totaram Sanadhya, 1991 Totaram Sanadhya came to Fiji as a ginnitiya or indentured labourer in 1893 In 1914 he returned to India and together with Benarsides Chaturvedi wrote this book a powerful indictment of the indentured labour system and the treatment of Indians in Fiji It was one of the most frequently used sources of information and argument during the public movement in India that led to the abolition of indenture in the 1910s the movement Gandhi later called the first national satyagraha This volume also includes an English translation of The story of the haunted line a moving story of a man saved from fear and despair by Hindu devotion and the friendship of ethnic Fijians Back cover Ten Months in the Fiji Islands William James Smythe, 1864 Observation on Fiji written as a series of letters by Colonel and Mrs W J Smythe **A Gift of Islands** June KNOX-MAWER, 1984 "*We used to eat people*" R.M.W. Dixon, 2018-01-13 Living in a reed hut on Taveuni the garden isle of Fiji the author studied the native language and carefully observed their traditions until he was accepted as a somewhat unusual member of the village Despite five cyclones the summer of 1985 daily life was idyllic Cannibalism has been abandoned reluctantly at the behest of the new Christian God But the old religion survived beneath the facade and priests danced naked on the beach beneath the full moon The village pulsed with factions and feuds resolved by the stern but benevolent chief whose word was law Legends told of a princess born as a bird who was killed and thus became a comely maiden but the murderer had to be cooked and eaten *Men from Under the Sky* Stanley Brown, 2013-03-02 The cannibal kings of Fiji are gone but their spirit lives on Cannibalism in Fiji and the gruesome earth ovens are gone the kai vavalagi the men from over the horizon changed that bringing their own brands of justice tempered by the musket disease and dissoluteness There were giants in those days Fijians and Westerners alike This gripping and unique history of Fiji by Stanley Brown a well known Fiji old timer and historian is woven around the lives of eleven Western giants Europeans and Americans who had the greatest impact on each epoch Not all these Westerners lived to tell the tale This stirring narrative is replete with hair raising accounts of battles and brutality One incident of supreme savagery was reported by Lockerby a famous trader who reported that more than three hundred fifty old men women and children were butchered after a battle As the canoes sallied back to the mainland coast in the evening the reddening sky silhouetted the bodies of children hanging from the mastheads The earth ovens were well fueled that evening But time and the tides of civilization tamed the savage beast and today Fiji is busy developing its economy but the old accounts and stories still ring true **Broken Waves** Brij V. Lal, 1992-10-01 A magisterial history of twentieth century Fiji The historical research is thorough and scrupulous and the presentation is lucid Lal brings together a wealth of information much of it previously unavailable and the earlier available materials often reframed in thought provoking ways Perhaps its greatest strength is that it presents the history of modern Fiji as very complicated and multifaceted The Contemporary Pacific Pacific Islands Monograph Series No 11 Published in

Chinese Melanesians and other Pacific islanders are largely politically invisible and socially and economically excluded In
January 2013 Fiji s government rejected a draft constitution drawn up by an independent commission and submitted it to be

the process the final document and a democratic future for Fiji Against the backdrop of these upheavals this report provides
insight into the underlying causes and consequences of ethnic tensions in Fiji based on evidence drawn from extensive
interviews across the diversity of Fiji s ethnic groups This report urges the government civil society and religious and ethnic
