On New Creation:

Dynamics of the new Creation with study notes Tony Smits, Tony Smits B.Th, 2011 **New Creation Realities** E. W. Kenyon, 2025-07-15 Christianity has revealed the secret that psychologists have long sought the inward soul the re created spirit the focus of God's great redemptive work on earth The four Gospels give us a wonderful picture of the lonely man of Galilee the humble Messiah who ends His earthly walk on Calvary But Paul's Epistles give us the risen triumphant One the conqueror of death sin and Satan He provides the revelation of what happened on the cross and in the tomb and how that affects who and what we are in Christ today Legendary Bible teacher E W Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race of men and women who can stand in God's presence without a sense of guilt condemnation or inferiority *The New Creation in Christ* Alfred Prempeh-Dapaah, 2016-04-30 What actually makes a person become a new creation in Christ and what should be the lifestyle of the new creation in Christ This book reveals some of the realities of the new creation in Christ that can be compared to a metamorphosis Knowing what makes a person become a new creation in Christ is the beginning of a good strong and successful Christian life It helps the person to identify themselves and what they have to accomplish God's purposed plan of life for them in Christ Good to be read by the just born again and all that seeks to grow into spiritual maturity **The New Creation** Herbert McCabe, 2010-10-28 A reissue of McCabe's study of the sacraments and what it means to live in the Church and the Church's world The New Creation explores how human beings can reach real unity with one another and the world around them through the Spirit of Christ The New Creation engages with themes like the Word of God the Son of God the meaning of community and communion and the sacraments as mysteries of human unity the place of physical healing in the redeemed world and the Old Testament and pagan religious foundations upon which modern Christianity is built There is a humane simplicity in McCabe's insights into all of these subjects similar to that found in the Gospels which provides the reader with clarity on inherently complex theological issues Christ is present to us in so far as we are present to each other as McCabe tells us and this book plainly and vividly encourages us to find the company of both

Studies in the Scriptures: The new creation Charles Taze Russell, 1904 **Awaken to Your New Creation** , As It Was in the Beginning Mark Owens, 2015-10-15 Paul's comments regarding the new creation in 2 Cor 5:17 and Gal 6:15 have tended to be understood somewhat myopically Some argue the phrase new creation solely refers to the inward transformation believers have experienced through faith in Jesus Christ Others argue this phrase should be understood cosmologically and linked with Isaiah's new heavens and new earth Still others advocate an ecclesiological interpretation of this phrase that views Paul referring to the new community formed around Jesus Christ In As It Was in the Beginning Mark Owens argues that the concept of new creation should be understood like the gospel within the realm of Paul's anthropology cosmology and ecclesiology At the same time he also argues that Paul's understanding of new creation belongs within an

Urzeit Endzeit typological framework especially within 2 Cor 5 6 and Eph 1 2 This reading of new creation attempts to give due weight to the use of Isaianic traditions in 2 Cor 5 17 and Eph 2 13 17 Owens demonstrates that the vision of new creation in 2 Corinthians and Galatians is starkly similar to that of Ephesians **THE NEW CREATION** Daniel

Obikwelu,2011-11 The New Creation is a resuscitation of the basic truth of Christ in our generation as God never fails to inspire great work in every age to heal his people It is a transformation from darkness to his marvelous light into the higher glory of the mystery of God whose will is to give us his kingdom The mysteries contained therein is part of the greatest truth revealed by the eternal wisdom of God in our own time for our completeness and a glorious covenant of life against the false teachings that has done so much harm to the mystical body of Christ I am quite certain that heresy indifference schism evil doctrines and powers of this age cannot stop the spirituality and message of this wonderful book for the angels of constellations are at work Christians and the New Creation Paul Sevier Minear,1994-01-01 In this major thematic work

senior scholar Paul Minear examines the Genesis motifs that are echoed in numerous parts of the New Testament By doing so Minear links the story of the old creation with the story of the new creation as he examines the language of beginnings creation fall and curse found in both testaments Minear concludes that there is a need to reexamine the legacy of the old creation in order to understand and value the gift of the new creation **Creation and New Creation** Sean M

McDonough,2016-04-01 In keeping with the Scriptural witness and the theological heritage this remarkable book examines the doctrine of creation alongside new creation The connection between the two creation and new creation has drawn renewed attention in the last several decades but the burden of Sean McDonough s argument is that this emphasis on creation and new creation has been a feature of the doctrine since the beginning whether in the eschatological reading of Genesis 1 that predominated at least until early modern times or the intertwining of the narratives of creation and redemption in thinkers from Irenaeus to Barth Whilst covering the traditional elements of the doctrine McDonough treats the important subject with a special emphasis on how these unfold in the story of what Gunton has called God s creation project

The New Creation and the Storyline of Scripture Frank Thielman,2020-12-09 A Biblical Theology of the New Creation from Genesis to Revelation Behold the dwelling place of God is with man He will dwell with them and they will be his people and God himself will be with them as their God Revelation 21 3 The Bible begins with the story of one perfectly good God creating a perfectly good universe Forming two perfectly good human beings in his own image Adam and Eve was the crown jewel of his creative expression Through humanity s sin however God s creation fell into a fallen state yet he promised to bring restoration In this book Frank Thielman traces the theme of the new creation through the Bible beginning in Genesis and ending in Revelation He shows us that at every turn God invites his people to be a kingdom of priests Exodus 19 6 exemplifying the new creation to a needy and watching world until the return of Jesus God's Workmanship Frank E. Lasater Jr.,2014-08-21 We cannot know God in depth without recognizing and acknowledging His absolute glorious

sovereignty over all things in all times and in every aspect of our lives He is Lord and His will reigns supreme When we finally come to this conclusion when our thoughts prayers and daily actions finally align at last with the teachings of Scripture on this most important matter we will know Him better As a consequence the good works to which we were ordained in the new birth will glorify God in His sovereignty

Publication ,1991 **Participating in Christ** Michael J. Gorman,2019-09-17 World renowned scholar Michael Gorman examines the important Pauline theme of participation in Christ and explores its contemporary significance for Christian life and ministry One of the themes Gorman explores is what he calls resurrectional cruciformity that participating in Christ is simultaneously dying and rising with him and that cross shaped living infused with the life of the resurrected Lord is life giving Throughout the book Gorman demonstrates the centrality of participating in Christ for Paul s theology and spirituality

New Creation Reality Olufemi Monehin,2010-10-05 Walking in the reality of the New Creation

Pre-Nicene Christology in Paschal Contexts Dragoş Giulea,2013-11-01 In Pre Nicene Christology in Paschal Contexts Drago A Giulea re examines the earliest texts related to the festival of Easter in light of Second Temple traditions Commonly portrayed as sacrificial lamb the key actor of the paschal narrative is here designated as heavenly Kabod Divine Image King of the Powers celestial Anthropos Demiurge Son of Man each of these divine names implying a corresponding soteriological function Drago A Giulea indicates as well that the Greek philosophical vocabulary and certain idioms of the mystery religions inspired new categories which reshaped the traditional way of describing the nature of celestial entities and the epistemological capacities able to access these realities Thus the King of the Powers or the Son of Man is several times described as a noetic Anthropos while initiation and noetic perception become the appropriate methods of accessing the divine

Christian Eschatology and the Physical Universe David Wilkinson,2010-05-27 Does matter matter The scientific picture of the end of the physical Universe has undergone dramatic changes since the turn of the 21st century with its future characterized by accelerated expansion and futility Yet Christian theology has been largely silent on this despite the interest in eschatology in popular culture and in theology itself What can Christian theology learn from and contribute to the scientific picture of the future of the Universe Can the biblical narratives of creation and new creation have a fruitful dialogue with scientific discoveries David Wilkinson shows what a fruitful dialogue this can be Critiquing the folk eschatology of the Left Behind series the misguided faith of the scientific optimists and the lack of scientific engagement of the theologians of hope Wilkinson argues for a rediscovery of the theological theme of new creation and the centrality of bodily resurrection
