Demosthenes, Speeches 1-17 ,2011-12-01

This is the fourteenth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today s undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few This volume contains translations of all the surviving deliberative speeches of Demosthenes plus two that are almost certainly not his although they have been passed down as part of his corpus as well as the text of a letter from Philip of Macedon to the Athenians All of the speeches were purportedly written to be delivered to the Athenian assembly and are in fact almost the only examples in Attic oratory of the genre of deliberative oratory In the Olynthiac and Philippic speeches Demosthenes identifies the Macedonian king Philip as a major threat to Athens and urges direct action against him The Philippic speeches later inspired the Roman orator Cicero in his own attacks against Mark Antony and became one of Demosthenes claims to fame throughout history

*Attic Orators* M. J. Edwards, 1994 This concise and informative introduction to the Attic orators a volume in the well established Classical World series is aimed at the late school and undergraduate student It includes valuable comments on the orators styles and a chronologically arranged catalogue of speeches

*Demosthenes* Ian Worthington, 2000 Demosthenes is still quoted in speeches by modern politicians and is often viewed as the supreme example of the patriot This book examines why his speeches came to be regarded so highly and asks whether his reputation is justified

*Demosthenes of Athens and the Fall of Classical Greece* Ian Worthington, 2013-01-17 The first ever biography of Demosthenes written in English for a popular audience set against the rich backdrop of late classical Greece and Macedonia

Demosthenes, Speeches 20-22 ,2010-01-01 This is the twelfth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical

scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today s undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity This volume contains three important speeches from the earliest years of his political career Against Leptines a prosecution brought against a law repealing all exemptions from liturgies Against Meidias a prosecution for aggravated insult hybris brought against an influential politician and Against Androton an indictment of a decree of honors for the Council of Athens Edward M Harris provides contemporary English translations of these speeches two of which Leptines and Androton have not been translated into English in over sixty years along with introductions and extensive notes that take account of recent developments in Classical scholarship

### **The Orator**

**Demades** Sviatoslav Dmitriev,2021 This is the first monograph in English about Demades an influential Athenian politician and a collaborator of many leaders of classical Greece including Alexander the Great and Demosthenes Reflecting that most of the available sources about Demades belong to the Roman imperial period this book proceeds from presenting the figure of Demades as a later rhetorical construct to revealing the problematic nature of our overall knowledge about classical Greece

*Dinarchus, Hyperides, and Lycurgus* ,2010-07-22 This is the fifth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries B C in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today s undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have been largely ignored women and family life slavery and religion to name just a few This volume combines the surviving speeches of three orators who stand at the end of the classical period Dinarchus was not an Athenian but he was called on to write speeches in connection with a corruption scandal the Harpalus affair that put an end to the career of Demosthenes His speeches thus raise many of the vital issues surrounding the Macedonian conquest of Athens and the final years of Athenian democracy Hyperides was an important public figure who was involved in many of the events described by Dinarchus and Lycurgus His speeches open a window into many interesting facets of Athenian life Lycurgus was one of the leading politicians in Athens during the reign of Alexander the Great and put Athenian public finances on a more secure footing He was also a deeply religious man who tried to revive Athenian patriotism after the crushing defeat at Chaeronea
