Wicked Portland

Finn J. D. John, 2021-01-04 Tucked away in the northwestern frontier Portland offered all the best vices opium dreams gambling cheap prostitutes and drunken brawling In its early days Portland was a combination rough and ready logging camp and gritty hard punching deep water port town and as a young city established in the late 1840s it developed an international reputation for lawlessness and violence In the early 1900s the British and French governments filed formal complaints about Portland to the US state department and Congressional testimony from the time cites Portland as the worst place in the world for crimping Today tours of the alleged Shanghai Tunnels offer Portland visitors a taste of that seedy past
