

The background of the cover is a complex, three-dimensional molecular model. It features a network of thin, light-colored lines representing chemical bonds, which connect various colored spheres. The spheres are primarily red, orange, yellow, green, and blue, and vary in size. Some spheres are large and prominent, while others are small and scattered throughout the network. The overall effect is a dense, interconnected web of geometric shapes, suggesting a complex organic molecule or a crystalline structure. The lighting is soft, creating subtle highlights and shadows on the spheres and lines.
