Language and Gender Angela Goddard,Lindsey Meân Patterson,2000 This study explores aspects of discourse and the way discourses in society represent ideas about the sexes It reveals how texts are covertly gendered with embedded ideas about the way men and women are Handbook to Practical Disaster Preparedness for the Family Arthur T.

Bradley,Marites Bautista,2010-07-09 Ninety nine percent of the time the world spins like a top the skies are clear and your refrigerator is full of milk and cheese But know with certainty that the world is a dangerous place Storms rage fires burn and diseases spread No one is ever completely safe Not you Not your children We all live as part of a very complex ecosystem that is unpredictable and willing to kill us without remorse or pause This book will help you to establish a practical disaster preparedness plan for your entire family covering all 14 basic human needs Additional information is also presented for those with special needs including the elderly children people with disabilities pregnant women and pets Every topic is well researched with over 240 references cited and is presented in a clear easy to read format **Fashion Communication in**

the Digital Age Paula von Wachenfeldt,Lorenzo Cantoni,Nadzeya Sabatini,Teresa Sdaba,2025-11-18 This open access book presents papers from the fourth bi annual FACTUM Fashion Communication Conference a leading reference event in the field of fashion communication As one of the few academic gatherings of its kind worldwide the conference explores fashion communication from diverse perspectives The proceedings feature contributions from scholars specializing in communication and marketing management digital transformation cultural heritage and other related disciplines These proceedings aim to foster interdisciplinary theoretical and empirical research on the impact of communication practices on both the fashion industry and societal fashion related values and behaviors Specifically they seek to establish and strengthen an international interdisciplinary network of scholars in the field of fashion communication share innovative methodological approaches expand the dialogue between communication studies and fashion related disciplines and encourage junior researchers to pursue their academic interests in this dynamic field Additionally this book serves as a valuable resource for professionals in fashion communication and marketing providing access to rigorous research in a rapidly evolving domain driven by digital transformation

Nature Displaced, Nature Displayed Nuala C. Johnson,2011-04-29 Botanical gardens brought together in a single space the great diversity of the earth s flora They displaced nature from forest and foothill and re arranged it to reveal something of the scientific principles underpinning the apparent chaos of the wild Nature Displaced Nature Displayed shows how the design and display of such gardens was not determined by scientific principles alone Through a study of three botanical gardens belonging to the University of Cambridge the Royal Dublin Society and the Belfast Natural History Society the author shows how the final outcome involved a complex interplay of ideas about place identity empire botanical science and especially aesthetics creating spaces that would educate the mind as well as please the senses This highly engaging book offers a wealth of fresh insights into both the history and development of botanical gardens as well as connections between
