## LONG TIME COMIN'

A Musical and Visual Retrospective

In 1968, the members of three of the most influential bands of the 1960s joined to form the first rock supergroup. Crosby, Stills & Nash, (C.S.N.) took Crosby's harmonies and Stills' melodic lines and combined them with Nash's lyrics and vocal range to create a new sound. The result was a unique blend of harmony, melody, and rhythm that has inspired generations of musicians and fans alike.

C.S.N. has since released several albums, including their most recent, *Long Time Comin'*, which features a collection of their greatest hits and new material. The album is a testament to the band's enduring legacy and their ability to create timeless music.
