Orthodox Way:

The Orthodox Way Kallistos (Bishop of Diokleia),1979 First published in 1979 The Orthodox Way Kallistos,2018

Orthodox Way, A Catechism for Seekers Deacon Charles Joiner,2025-04-11 For many years Deacon Charles Joiner faithfully taught catechism at Saint George Greek Orthodox Cathedral in Greenville South Carolina guiding inquirers and catechumens into the fullness of the Orthodox Christian faith Rooted in the living tradition of the Church his classes were not merely academic but an invitation into a transformative way of life one shaped by Holy Scripture the teachings of the Fathers and the experience of the Orthodox Church through the centuries This book is a fruit of those years of instruction offering a structured yet accessible guide for those seeking to understand and embrace the Orthodox faith Whether read as an introduction for newcomers or as a deepening of understanding for lifelong Orthodox Christians it serves as a pathway into the beauty depth and spiritual wisdom of the Church s ancient yet ever relevant teachings *The Orthodox Way* Kallistos (Bishop of Diokleia),1990 *Christian Theology and the Status of Animals* R. McLaughlin,2014-02-13 The author argues that there are conflicting traditions with regard to the question of what is the moral standing of animals according to Christianity The dominant tradition maintains that animals are primarily resources but there are alternative strands of Christian thought that challenge this view *The Transforming Fire of Divine Love* John H. Armstrong,2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe

The Orthodox Way Archimandrite Kallistos Ware,1979 **A House of Prayer** Thomas R. Steagald,2014-04-01 A House of Prayer begins with a personal story a moment of a deep sense of isolation and spiritual distress that gives way to a deep sense of abiding connectedness and community That movement from isolation to serenity by means of praying together spiritually or physically is the emphasis of this book Steagald believes that praying together allows the church to become one as Jesus intended and the Body St Paul described The author incorporates memoir travelogue reflection on scripture church history and psychology as he builds a compelling case for congregations to put more focus on praying as a community

Preservation and Protest Ryan Patrick McLaughlin,2014-11-01 Preservation and Protest proposes a novel taxonomy of

four paradigms of nonhuman theological ethics by exploring the intersection of tensions between value terms and teleological terms McLaughlin systematically develops the paradigm of cosmocentric transfiguration arguing that the entire cosmos shares in the eschatological hope of a harmonious participation in God's triune life With this paradigm McLaughlin offers an alternative to anthropocentric and conservationist paradigms within the Christian tradition an alternative that affirms both scientific claims about natural history and the theological hope for eschatological redemption
