anyone ready to take charge of their finances Beginners Guide to Financial IQ & Money Management Randy Silverman, 2019-10-08 Managing your money day in and day out is not so easy because it takes so much time and effort built into this whole thing that numbers help them manage their lives. The goal is to control your money. This is where you have to trust yourself; you can succeed in managing your own budget. The bottom line is you can't arrive at making the right decisions without thoroughly investigating and knowing where you're coming from financially, and this can only be done through proper money management. Money management isn't kind of important; it's a thing. With the proper guidance, getting a budget and learning how to manage your money day in and day out can be painful. Most likely, it's the hardest part of getting yourself to do it. The biggest accomplishment you'll gain from it is being able to know where you stand financially; you can't kick back and control your finances. Ultimately, you want to be able to build a solid financial foundation for you and your family; you won't ever be in a compromised situation. Personal Finance For Dummies® Eric Tyson, 2009-10-09 Now updated, the proven guide to taking control of your finances.
