Reality and Idea in the Early American Novel David H. Hirsch, 2021-03-22 No detailed description available for Reality and Idea in the Early American Novel      The Voices of Romance Ann Dobyns, 1989 This study focuses on techniques of romance characterization and through stylistic analysis compares speech characteristics of parallel characters in Thomas Malory's *Le Morte d'Arthur* Philip Sidney's *New Arcadia* and Emily Brontë's *Wuthering Heights*      The novel of sentiment and the Gothic romance Ernest Albert Baker, 1929      *William Morris and the Idea of Community* Anna Vaninskaya, 2010-10-12 The great polymath William Morris and his contemporaries and followers from H Rider Haggard to H G Wells are the focus of this study Anna Vaninskaya draws upon a wide array of primary sources from working class fiction and articles in fringe socialist newspapers to historical treatises autobiographies and diaries in order to explore the many ways Victorians and Edwardians talked about community and modernity Vaninskaya's narrative moves from the realm of romance bestsellers and sniggering reviews to debates in weighty historical tomes and then to the headquarters of revolutionary parties to street corners and shabby lecture halls She demonstrates how in each domain the dream of community clashed with the reality of the modern state and market      **The Idea of the Novel in Europe, 1600-1800** Ioan Williams, 1979-05-24      **The Idea of Europe in Literature** Susanne Fendler, Ruth Wittlinger, 1999-09-11 The relevance of culture has recently enjoyed increasing recognition for the study of European integration and a European identity Appeals to a common European culture as well as appeals to different national cultures have been used respectively as a means to pursue political ends Paying tribute to literature's role as an important constituent part of a culture this collection of essays explores literary representations of Europe and its nation states and should be of particular value to anyone who is interested in cultural political or literary studies in the European context      *The Idea of Tragedy in the Drama of the English Romantic Poets* John Michael Cawley, 1941      **The Idea of the PhD** Frances Jennifer Kelly, 2016-12-19 The Idea of the PhD The doctorate in the twenty first century imagination analyses the PhD as it is articulated in diverse areas of contemporary discourse at a time in which the degree is undergoing growth change and scrutiny worldwide It considers not just institutional ideas of the PhD but those of the broader cultural and social domain as well as asking whether and to what extent the idea of the Doctor of Philosophy the highest achievable university award is being reimaged in the twenty first century In a world where the PhD is undergoing significant radical change and where inside universities doctoral enrolments are continually climbing as the demand for more graduates with high level research skills increases this book asks the following questions How do we understand how the PhD is currently imagined and conceptualised in the wider domain Where will we find ideas about the PhD from its purpose to the nature of research work undertaken and the kinds of pedagogies engaged to the researchers who undertake it and are shaped by it International in scope this is a text that explores the culturally inflected representation of the doctorate and its graduates in the imagination literature and media The

Idea of the PhD contributes to the research literature in the field of doctoral education and higher education As such this will be a fascinating text for researchers postgraduates and academics interested in the idea of the university **Sexiness and Gender in Gothic Youth Culture. How do Ideals of Beauty Relate to Gender Roles?** Giuliana Helm, 2015-11-04 Seminar paper from the year 2014 in the subject English Language and Literature Studies Culture and Applied Geography grade 3.0 University of Bamberg Department of English Culture Studies course 150 Years of Neo Gothic Literature Architecture Youth Culture language English abstract This term paper investigates and explores the Gothic subculture and attempts to bridge the gap between the question of what ideals of beauty and sexual appeal are prevalent in the Gothic scene and how they relate to notions of gender This term paper cannot even begin to cover every layer of the Gothic subculture But it will give an insight into the most visible as well as a few invisible features helping to understand the connection between the Gothic idea of sexiness beauty and the role of gender Starting with a clear and brief insight into the emerge of the Gothic subculture and with a cohort introduction into the ideology of the Goth the term paper continues with explaining the importance of fashion within the Goths lifestyle and with the essential features of their special to get dressed The next chapter illustrates the ideas of beauty in regard to being a Goth followed by the exploration how Goths define sexiness and salability in consideration of their dress code and their lifestyle The term paper finally concludes with the development of gender roles prevalent in the scene This year the year 2014 is the year of the 250th anniversary of Neo Gothic and Horace Walpole s novel *The Castle of Otranto* published in 1764 is seen as the first representative of the Gothic romance Its main innovation was to arouse opposed emotions such as horror and commiseration This use of a radical contrast is one of the hallmarks of Gothic light and dark good and evil love sex and death Gothic is to be counted to one of those terms that have to be observed more closely because it contains more than at first sight Gothic is not just black clothes and a depressive attitude It rather turns out to be really difficult to encompass because it comprises many different aspects Gothic stands for architecture for literature and for the special present subculture the Goths This term paper does not approach the architectural or literary aspects of Gothic *The Adolescent Idea* Patricia M.
