Rudge is a comprehensive collection of bibliographical resources surrounding Dickens fifth novel Barnaby Rudge The book
addresses what the author terms a prevalent lack of research surrounding the novel The collection lists bibliographic
references which not only looks at the novel itself but also covers older resources that interested Dickens first critics such as
the originality of the settings and characters The book's core focus is examining the novel's historical subject matter in the
context of the social and political context in which it was written The book acts as a core resource for research on Barnaby

William Andrews Clark Memorial Library, 1974 *Charles Dickens's Our Mutual Friend* Sean Grass, 2017-05-15 Even within the context of Charles Dickens's history as a publishing innovator *Our Mutual Friend* is notable for what it reveals about Dickens as an author and about Victorian publishing. Marking Dickens's return to the monthly number format after nearly a decade of writing fiction designed for weekly publication in *All the Year Round* *Our Mutual Friend* emerged against the backdrop of his failing health, troubled relationship with Ellen Ternan, and declining reputation among contemporary critics. In his subtly argued publishing history, Sean Grass shows how these difficulties combined to make *Our Mutual Friend* an extraordinarily odd novel no less in its contents and unusually heavy revisions than in its marketing by Chapman and Hall. Its transformation from a serial into British and U.S. book editions, its contemporary reception by readers and reviewers, and its delightfully uneven reputation among critics in the 150 years since Dickens's death. Enhanced by four appendices that offer contemporary accounts of the Staplehurst railway accident, information on archival materials, transcripts of all of the contemporary reviews, and a select bibliography of editions, Grass's book shows why this last of Dickens's finished novels continues to intrigue its readers and critics. **Dictionary Catalogue of the History of Printing from the John M. Wing Foundation in the Newberry Library** Newberry Library, John M. Wing Foundation, 1961
