Noble Path:

The Noble Eightfold Path Bhikkhu Bodhi, 2010-12-01 The Buddha's teachings center around two basic principles. One is the Four Noble Truths in which the Buddha diagnoses the problem of suffering and indicates the treatment necessary to remedy this problem. The other is the Noble Eightfold Path, the practical discipline he prescribes to uproot and eliminate the deep underlying causes of suffering. The present book offers in simple and clear language a concise yet thorough explanation of the Eightfold Path. Basing himself solidly upon the Buddha's own words, the author examines each factor of the path to determine exactly what it implies in the way of practical training. Finally, in the concluding chapter, he shows how all eight factors of the path function in unison to bring about the realization of the Buddhist goal: enlightenment and liberation.

Noble Eightfold Path Bhikkhu Bodhi, 2011-12-15 This book offers a clear, concise account of the Eightfold Path prescribed to uproot and eliminate the deep underlying cause of suffering: ignorance. Each step of the path is believed to cultivate wisdom through mental training and includes an enlightened and peaceful middle path that avoids extremes. The theoretical as well as practical angles of each of the paths: right view, right intention, right speech, right action, right livelihood, right effort, right mindfulness, and right concentration are illustrated through examples from contemporary life. The work's final chapter addresses the Buddhist path and its culmination in enlightenment. The Manual of Insight and the Noble

 the entire Buddhist path in only 123 verses A Buddhist classic Nagarjuna's poetic presentation of the fundamental teachings
 of the Great Vehicle or Mahayana is remarkable for its concise style and memorable imagery making it one of the most
 widely quoted sources in other commentaries on the Mahayana path The great Indian Buddhist master Nagarjuna first
 second century C E wrote his celebrated poem *Letter to a Friend* as a gift of advice to a South Indian king and it has since
 become a monument in the Indian shastra tradition Despite its short length only 123 verses Nagarjuna's *Letter to a Friend*
 covers the entire Mahayana path combining a practical approach to daily conduct with a theoretical exposition of the
 different stages leading to enlightenment It has thus been an ideal source for many of Tibet's great scholars seeking a
 scriptural authority to enhance their own descriptions of the Buddhist path Any difficulties in understanding the poem are
 overcome here by Kangyur Rinpoche's commentary which turns Nagarjuna's sometimes cryptic poem into straightforward

prose expanding on each topic and ordering the different subjects in such a way that on returning to the original poem the reader can easily make sense of the advice it contains. It includes headings to explain Nagarjuna's frequent changes in subject and full explanations of the ideas introduced in each verse. In addition to the commentary, this book presents the original poem in the Tibetan and in a new English translation that attempts to emulate Nagarjuna's lines of metric verse. Also included are Khenpo Rinpoche's structural outline, a Tibetan line index to enable students to locate quotations used in other Tibetan works, full notes, and a glossary.
