**Nonviolence and Community** Douglas Van Steere, Margery Post Abbott, Newton Garver, Robert Cushman Murphy, Eric Reitan, 1995     *Security Challenges and Management in Modern Nigeria* Abimbola Adesoji, Ayodeji Olukoju, Oluyato Adesina, 2019-01-15 This collection of essays explores the critical and fluid nature of security challenges that have plagued Nigeria since colonial times Insecurity in diverse forms remains the bane of growth and progressive development in the country and has the capability to derail a society no matter how sophisticated What has generated insecurity at the macro and micro levels How has insecurity been tackled Why have security challenges escalated particularly in the post independence period What lessons could be learnt from the way security matters have been mis handled in the past This volume presents chapters on the historical roots and antecedents of security challenges and considers the nexus between the economy political leadership and development and its impacts on security in modern Nigeria It also explores the effectiveness of the strategies employed to address security challenges and discusses why some security challenges have lingered     Historical Dictionary of the Friends (Quakers) Margery Post Abbott, 2012 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful     **The Acorn** ,2000     Stories from Kenya Thomas J. Gates, Tom Gates, Liz Gates, 1995     **A Living Education** Lynn Allison Englund, 2005     Wittgenstein and Approaches To Clarity Newton Garver, 2006-01-30 The principal goal of this collection of stimulating essays is clarity about Wittgenstein s work in general and about his conception of clarity in particular This in depth clearly presented study by an internationally recognised scholar of Wittgenstein will be of great interest to philosophers and students of 20th century thought     **Subject Guide to Books in Print** ,1996     **Connecting Contemporary African-Asian Peacemaking and Nonviolence** Luigi Esposito, Vidya Jain, 2018-10-12 This collection brings together

accomplished and emerging scholars who are researching and working for grassroots social change throughout Africa and Asia The essays within are sourced from a series of seminars held during the founding African Peace Research and Education Association Conference at the Economic Community of West African States Parliament in Abuja Nigeria The book draws strategic lines of connection between diverse peoples on the two most populous continents Looking at contemporary Gandhian Chinese armed guerrilla insurrectionist state supported and civil resistance movements each essay reviews recent attempts at peace building while also placing modern efforts in traditional historic indigenous contexts **Forget Them**

**Not** Joanne M. Hemenway, 2010-07-09 To witness effectively and powerfully to Christian testimonies of care and compassion of justice and mercy of healing and wholeness it is necessary to foster awareness of the realities of the present system of retributive justice if there is to be any hope of transformation to a system of justice which is restorative Forget Them Not provides a history of the prison system as a means of punishment contrasting it with the relatively recent but growing practice of restorative justice Joanne Hemenway explores the concept of disconnection as radical evil as a separation from God who is the source of our being and shows how our present approach to punishment fosters this evil The present system with its motif of retributive justice generates shame rejection and loneliness which stokes the fires of anger and rage This breeds deep disconnection which only serves to fuel further cycles of violence Hemenway presents three vignettes designed to help explore forgiveness in the context of both retributive and restorative justice To promote healing and connection Forget Them Not introduces compassionate witnessing in prison ministry as a way to develop awareness and empowerment
