Matt Regan's Lady Mary Brinker Post, 1955 Reagan's Comeback Gilbert Garcia, 2012-02-07 Never before has the story been told of the dramatic turning point when Ronald Reagan found his voice as a presidential contender and overcame the Republican establishment Reagan's Comeback is the story of how one state one man and one month changed national politics forever Chronicling how Reagan's political career nearly ended this turnabout story is told by those who made it happen campaign volunteers financiers political activists and media observers Positioning Reagan to win in 1980 the birth of the Reagan Democrat transformed Texas from Democratic stronghold to the reliably Republican powerhouse it is today since producing five Republican presidential candidates and two Republican presidents with more to follow Reagan's rise and victory against Ford in 1976 mirrors the current climate between the Tea Party movement and the GOP With the 2012 election in sight there is no better time to finally tell the whole story of how the Reagan Revolution found its launching point

Hospital Book Guide ,1954 **Margaret Thatcher** Peter Just,2025-07-29 A joy to read Andrew Roberts The story of Margaret Thatcher s post premiership years is a tale of high drama and low farce with at its heart one extraordinary woman Margaret Thatcher enjoyed perhaps one of the most consequential political afterlives in British history No longer in office but never really out of power she was not only one of the most impactful Prime Ministers the UK has ever had she was also one of the most impactful former Prime Ministers the UK has ever had British politics today undoubtedly reflects Thatcher s time in No 10 but it is also shaped by her later life and how people reacted and still react to it To mark the centenary of her birth Margaret Thatcher Life After Downing Street provides a radical reassessment of how Thatcher s premier emeritus years have been viewed to date Covering the four main areas of her work after Downing Street philosophy party policy and performance and analysing her continued and continuing influence on the Conservative leaders and Prime Ministers of all parties who followed her it demonstrates why however small the politics may or may not have got since 1990 Margaret Thatcher is still big

Matt Regan's Woman Mary Brinker Post,1955 **At First Touch** Cindy Miles,2016-09-01 Don t trust your eyes Trust your heart After suffering a tragic accident Reagan Quinn has her military career cut short and her sight gone forever Returning to her childhood home only reminds Reagan of what she s lost No light no color just shadows and indistinct forms But one man refuses to let her give up on herself Reagan can t see Eric Malone All she knows is that he s there every day driving her completely bonkers Eric pushes her out of the darkness and into a world shaped by taste touch and scent But Reagan isn t quite prepared for what happens when she stops depending on her sight and starts seeing with her heart

National American Kennel Club Stud Book ,1916 Matt Regan's Lady Mary B. Post,1981-10-01 **Nancy Reagan** James G. Benze,2005 Many thought of her as Queen Nancy Others as the Dragon Lady But for millions of Americans Nancy Reagan was the always smiling and deeply admiring presidential spouse who stood by her man that image lingers still in the touching picture of a bereaved widow at her husband s casket Nancy Reagan has stirred passionate defenders and acerbic critics in many books and the media James Benze however is the first biographer to discuss the effect of her acting background on her tenure as first lady Unlike earlier biographers he focuses on the way she applied her acting skills to meet the demands of her greatest supporting role As part of a movie troupe Nancy Davis often had the job of flattering the lead actor or helping a star create an outstanding performance As first lady Nancy Reagan did all of this and more whether supplying the president with a missing line at Bitburg or steering him away from the abortion controversy Always outspoken and a target for feminists and others she remained the consummate supporting actor always helping the star Benze portrays Nancy Reagan as a forceful presence behind the Oval Office s closed doors unafraid to take on Donald Regan or Oliver North He documents her clear influence on presidential appointments links her quirky penchant for astrology to her show business past and traces the creation of the Just Say No program to her years in Sacramento showing that it far exceeded the public relations motivation that her detractors claimed Benze reveals how living on a public stage exacerbated the problems in the

Reagans relationship with their children which went from bad to worse during the White House years He also covers Nancy Reagan s post Washington life including her vigilant care of the president as he struggled with Alzheimer s disease and her subsequent advocacy of stem cell research that put her at odds with the GOP While Ronald Reagan was the star performer of his presidency his wife glided elegantly at his side as an accomplished co star Benze s book strikes a balance between the images of adoring helpmate and manipulative manager showing us the woman behind the stereotypes and offering a more objective understanding of her place in the history of presidential wives
