## **Matthew Christian Rabbi:**

Matthew Christopher Sanford, 2005-10      **Matthew's Christian-Jewish Community** Anthony J. Saldarini, 1994-05-16

The most Jewish of gospels in its contents and yet the most anti Jewish in its polemics the Gospel of Matthew has been said to mark the emergence of Christianity from Judaism Anthony J Saldarini overturns this interpretation by showing us how Matthew far from proclaiming the replacement of Israel by the Christian church wrote from within Jewish tradition to a distinctly Jewish audience Recent research reveals that among both Jews and Christians of the first century many groups believed in Jesus while remaining close to Judaism Saldarini argues that the author of the Gospel of Matthew belonged to such a group supporting his claim with an informed reading of Matthew's text and historical context Matthew emerges as a Jewish teacher competing for the commitment of his people after the catastrophic loss of the Temple in 70 C E his polemics aimed not at all Jews but at those who oppose him Saldarini shows that Matthew's teaching about Jesus fits into first century Jewish thought with its tradition of God sent leaders and heavenly mediators In Saldarini's account Matthew's Christian Jewish community is a Jewish group albeit one that deviated from the larger Jewish community Contributing to both New Testament and Judaic studies this book advances our understanding of how religious groups are formed      The Memory of the Temple and the Making of the Rabbis Naftali S. Cohn, 2013-01-09 When the rabbis composed the Mishnah in the late second or early third century C E the Jerusalem Temple had been destroyed for more than a century Why then do the Temple and its ritual feature so prominently in the Mishnah Against the view that the rabbis were reacting directly to the destruction and asserting that nothing had changed Naftali S Cohn argues that the memory of the Temple served a political function for the rabbis in their own time They described the Temple and its ritual in a unique way that helped to establish their authority within the context of Roman dominance At the time the Mishnah was created the rabbis were not the only ones talking extensively about the Temple other Judaeans including followers of Jesus Christians and even Roman emperors produced texts and other cultural artifacts centered on the Jerusalem Temple Looking back at the procedures of Temple ritual the rabbis created in the Mishnah a past and a Temple in their own image which lent legitimacy to their claim to be the only authentic purveyors of Jewish tradition and the traditional Jewish way of life Seizing on the Temple they sought to establish and consolidate their own position of importance within the complex social and religious landscape of Jewish society in Roman Palestine      **Matthew within Judaism** Anders Runesson, Daniel M. Gurtner, 2020-07-17 In this collection of essays leading New Testament scholars reassess the reciprocal relationship between Matthew and Second Temple Judaism Some contributions focus on the relationship of the Matthean Jesus to Torah temple and synagogue while others explore theological issues of Jewish and gentile ethnicity and universalism within and behind the text      **The Halakhah of Jesus of Nazareth According to the Gospel of Matthew** Phillip Sigal, 2007      A Practical Commentary on the Gospel According to St. Matthew James Morison, 1902      **Matthew Presents Yeshua, King Messiah** Barney Kasdan, 2011 If you've ever wanted to

get to know Yeshua the Jewish Messiah the Good News of Matthew is the best place to start Yet few commentators are able to truly present Yeshua in his Jewish context Most don't understand his background his family or even his religion and miss the full picture of who he really is **Israel's Last Prophet** David L. Turner, 2015 Jesus words of indictment and judgment in the Gospel according to Matthew have fueled centuries of Christian anti Judaism But what did those words originally mean within Matthews narrative David L Turner examines how Matthew has taken up Deuteronomic themes of prophetic rejection and judgment and woven them throughout the Gospel culminating in Matthew 23 32 Matthew was engaged in a heated intramural dispute with other Jewish groups Turner argues The legacy of Christian anti Jewish violence reflects a gross misunderstanding of Matthew by generations who have failed to recognize the authors worldview and allusions **Rabbi Talks with Jesus** Jacob Neusner, 2000-02-16 Placing himself within the context of the Gospel of Matthew Neusner imagines himself in a dialogue with Jesus of Nazareth and pays him the supreme Judaic gesture of respect making a connection with him through an honest debate about the nature of God's One Truth Neusner explains why the Sermon on the Mount would not have convinced him to follow Jesus and why by the criterion of the Torah of Moses he would have continued to follow the teachings of Moses He explores the reasons Christians believe in Jesus Christ and the Kingdom of Heaven while Jews continue to believe in the Torah of Moses and a kingdom of priests and holy people on earth This revised and expanded edition with a foreword by Donald Akenson creates a thoughtful and accessible context for discussion of the most fundamental question of why Christians and Jews believe what they believe The Interpreter's Bible: General articles on the New Testament. Matthew. Mark George Arthur Buttrick, 1951 **The New Testament in the Light of Modern Knowledge** Herbert McLachlan, 1914 **The Synoptic Gospels** Claude Goldsmid Montefiore, 1909 **Matthew's Gospel at the Point of a Question** Herbert Moninger, 1909 *Annual Convention - Central Conference of American Rabbis* Central Conference of American Rabbis, 1919 **Year Book of the Central Conference of American Rabbis** Central Conference of American Rabbis, 1916 Containing the proceedings of the convention The World-view of the Fourth Gospel Thomas Wearing, 1918 *Year Book of the Central Conference of American Rabbis*, 1916 **A Rabbi's Impressions of the Oberammergau Passion Play** Joseph Krauskopf, 1901 *Matthew* Christopher B. Sanford, 2005-10-01 Matthew Christian Rabbi presents a radically different approach to the study and understanding of Matthew and all the Gospels Building on ground breaking scholarship by English theologian Michael Goulder it presents historical and cultural background then offers a radical but highly convincing scenario for the development of the Gospel as a cycle of Sabbath readings for use in synagogues and later in churches when Christian groups had separated from Jewish congregations While taking a historical approach in examining each section of the Gospel in turn presenting every Biblical source and parallel for each verse the book discusses significant theological problems and issues Why did Matthew omit Mark's account of Jesus family seeking to have him locked up because they thought he was crazy Why do all the Gospels take different approaches to

playing down the significance of John the Baptist Suitable for ongoing group study or individual reading      *An Illustrated*
