Monty A Biography Of Montgomery Clift

John Portmann

Monty A Biography Of Montgomery Clift:

Monty Robert LaGuardia,1977 Classically handsome extraordinarily gifted a legend before his death who created the mold for James Dean and Marlon Brando Montgomery Clift will never be forgotten by anyone who saw him on the screen Women literally screamed for him critics acclaimed him yet he died at the age of 45 a haunted broken man What happened Why did so promising a life end so tragically Here through years of research and hundreds of interviews with Clift s family friends lovers associates and confidants illustrated with sixty photographs many never before published is the first definitive in depth biography to break through the public and private facade of Montgomery Clift a 1950s rebel on screen and off Here are the famous films from Red River to From Here to Eternity to The Misfits as well as the real stories behind them the lacerating fights with John Huston on Freud the intense relationship with Elizabeth Taylor begun during the filming of A Place in the Sun the man to man showdown with John Wayne in Red River the deep friendships and provocative confrontations with such people as Marlon Brando Frank Sinatra Alfred Hitchcock Elia Kazan William Wyler Olivia de Havilland James Jones Howard Hawks and Katharine Hepburn Here too is the private Monty a life heretofore hinted at in rumors and whispers but never before revealed in true depth the frank story of his battles with alcohol and drugs his complex relationships with friends and family his sexual encounters with men and women his psychological disturbances and bizarre behavior the car accident that changed his life From his peripatetic childhood in the close care of his mother to his early Broadway successes to his meteoric rise and subsequent fall before the eyes of the world this is a riveting life size portrait of Montgomery Clift the actor and the man a fascinating voyage into the spotlighted world of the movie star and the dark realms of the human psyche Dust jacket Monty Robert LaGuardia,1977 **Montgomery Clift** Robert LaGuardia,1977

Montgomery Clift Patricia Bosworth,2004-08 Follows the life of the gifted and enigmatic American actor from his disturbing childhood to his early days in Hollywood to his tragic and untimely death **Montgomery Clift** Robert LaGuardia,1977 **Montgomery Clift, Queer Star** Elisabetta Girelli,2013-12-15 Scholars of gender and film performance studies queer and sexuality studies and masculinity studies will appreciate this compelling study Montgomery Clift Michelangelo Capua,2015-09-16 At the peak of his career in the 1950s Montgomery Clift was the symbol of a very talented yet rebellious generation of movie stars His acting combined the personal and the professional and his seventeen movies show his superb craft and extraordinary sensitivity Yet there was much more to his life than his talents as an actor more than most people knew This book is a biography of the extremely handsome acutely intelligent but tormented Montgomery Clift His life has been described as the longest suicide in the history of Hollywood and this biography shows the accuracy of that description It covers Clift s sheltered childhood his discovery at the age of 12 the early critical acclaim that brought attention from such noted directors as Elia Kazan and Antoinette Perry his development as a professional actor and work with many of Hollywood s greatest directors including Kazan Fred Zinneman Alfred Hitchcock and John Huston and the devastating car

accident that disfigured his face and caused him to turn to drugs and alcohol Throughout the book attention is given to Clift's self-destructive personality which created problems that even close friends like Elizabeth Taylor could not help him solve and his closet homosexuality which contributed to his intense insecurity Richly illustrated Monty Robert La Guardia,1979

Montgomery Clift Mary Kalfatovic,1994-05-25 Post World War II America saw a return to prosperity and the rise of a significant youth culture Television began to replace movies as the chief source of entertainment for the general public and adolescents and single young adults began to constitute the largest portion of the audience for movies With his youthful appearance Montgomery Clift held special appeal to this new market and he became one of the foremost American actors of his time This book details his many performances The introductory biography offers a succinct summary of Clift's life and the forces that shaped his work The chapters that follow contain annotated entries for all of his work in plays films radio and television Entries present plot summaries cast and credit information critical analyses and excerpts from reviews The book gives equal attention to his lesser known films and stage career as to his most memorable performances An extensive annotated bibliography cites and evaluates books articles and miscellaneous sources of information about Clift and includes fictional works in which he appears as a character *Montgomery Clift* P. Bosworth,1980 How to be a Movie Star William J. Mann,2009 A narrative account of Elizabeth Taylor's career with particular attention paid to how the consummate movie star influenced and crafted her image over the years *Montgomery Clift* David Lancaster,2005 Montgomery Clift 1920-1966 was one of the most innovative stars in the history of post war Hollywood an actor of stunning beauty and delicacy who inspired contemporaries like Marlon Brando and James Dean and who was nominated four times for an Academy Award A major part of his appeal resided in the fact that he was a different kind of star one that represented vulnerability rebellion and less orthodox ways of being a man If anything Clift's appeal deepened after his death as evidence emerged of his bisexuality he had relationships with a number of men and there were even rumours that he and Elizabeth Taylor had contemplated getting married Turbulent and self-consuming he was blighted by alcohol and drug addiction and died a relatively forgotten figure a few months before his forty sixth birthday **BOOK JACKET** **Women and Gay Men in the Postwar Period** John Portmann,2016-07-14 Friendships between women and gay men captivated the American media in the opening decade of the 21st century John Portmann places this curious phenomenon in its historical context examining the changing social attitudes towards gay men in the postwar period and how their relationships with women have been portrayed in the media As women and gay men both struggled toward social equality in the late 20th century some women understood that defending gay men who were often accused of effeminacy was in their best interest Joining forces carried both political and personal implications Straight women used their influence with men to prevent bullying and combat homophobia Beyond the bureaucratic fray women found themselves in transformed roles with respect to gay men as their mothers sisters daughters caregivers spouses voters employers and best friends In the midst of social hostility to gay men

during the AIDS crisis of the 1980s and 1990s a significant number of gay women volunteered to comfort the afflicted and fight reigning sexual values Famous women such as Elizabeth Taylor and Barbra Streisand threw their support behind a detested minority while countless ordinary women did the same across America Portmann celebrates not only women who made the headlines but also those who did not Looking at the links between the women s liberation and gay rights movements and filled with concrete examples of personal and political relationships between straight women and gay men *Women and Gay Men in the Postwar Period* is an engaging and accessible study which will be of interest to students and scholars of 20th and 21st century social and gender history

The Passion of Montgomery Clift Amy Lawrence, 2010 The art and legend of Montgomery Clift tortured soul and triumphant talent is brought into extraordinarily sharp focus in Amy Lawrence s discerning sympathetic and highly readable examination of a brilliant beautiful haunted performer Lee Server author of *Robert Mitchum Baby I Don t Care*

The New York Times Book Review, 1978 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback

The Queer Encyclopedia of Film & Television Claude J. Summers, 2005 How did Liberace s costumes kill him Which lesbian comedian spent her high school years as the best white cheerleader in Detroit For these answers and many more fans can dip into this book Drawn from the fascinating online encyclopaedia of queer arts and culture www.glbtc.com this is the only reference book in which RuPaul and Jean Cocteau jostle for space From the porn industry to the Sisters of Perpetual Indulgence from body building to Dorothy Arzner this is an indispensable guide readable authoritative and concise
