Peace was for little girls And Coalition starship admiral Brit Bandar was one tough woman A mere intergalactic treaty could never get her to trust the Drakken Horde There was too much bad blood between the Coalition and the Horde and for intensely personal reasons Brit wasn t sure that she was through spilling it But now a peaceful accord had made Finn Rorkken a notorious Drakken rogue second in command on her starship and through some grand cosmic irony front and center in her thoughts and her heart Warleader Pirate Either title sat easily on Finn s battle hardened shoulders Though second in command to Stone Heart Bandar That one would take some getting used to Peace required as much sacrifice as

war so he'd comply even if his reaction to the gorgeous admiral fell decidedly outside protocol But would he end up kissing or killing her if the galaxy's tentative truce turned into all out war [Phil's Favorite 500](#) Phil Berardelli,2015-08-10 Phil Berardelli has been in love with movies ever since his first encounter as a little boy thrilled him and then scared the daylights out of him In the intervening years including a six year stint as a TV movie critic Phil has seen at least 5 000 titles Here he has put together a list of his 500 favorites which he has separated into 50 categories He has accompanied each one with informative witty and often insightful capsule comments along with bits of trivia formatting descriptions and where available links to online trailers clips and full length versions Newly updated for 2014 and containing 24 new titles plus a new section of recommended books Phil's Favorite 500 encompasses everything Phil has learned in over half a century of moviegoing The list includes something for everyone adults couples children teens and families and covers some of the greatest movies ever made both in the U S and elsewhere as well as some of the cinema's most entertaining clunkers Many of his choices and omissions may surprise you But in all cases Phil makes compelling arguments for sampling these titles If you do sample them you might just find yourself adding many of them to your own list of favorites Sampled browsed or read from beginning to end Phil's Favorite 500 reflects a love of the medium that is contagious and his descriptions will help you view even the most familiar movies in a new and very entertaining way **Moonstruck** Edward M.
