Mordecai Richler An Annotated Bibliography:

Mordecai Richler Michael Darling, 1979 Many of the highly praised bibliographies that make up The Annotated Bibliography of Canada's Major Authors are also available in individual author reprints Separately bound and covered each bibliography concentrates on one major Canadian author *The Annotated Bibliography of Canada's Major Authors* Robert Lecker, Jack David, 1979 Volume 1 in the Bibliography of Canada's Major Authors series which brings together primary and secondary material written by some of Canada's most preeminent literary figures This volume includes annotated bibliographies on Margaret Atwood Margaret Laurence Hugh MacLennan Mordecai Richler and Gabrielle Roy **The Annotated Bibliography of Canada's Major Authors** Robert Lecker, Jack David, 1979 *The Canadian Short Story* Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany **Mordecai Richler** Arnold E. Davidson, 1983 **Perspectives on Mordecai Richler** Michael E. Darling, 1986 *Mordecai Richler* Victor J. Ramraj, 1983 *Encyclopedia of the Novel* Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world *Encyclopedia of the Essay* Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various
