Matthew Henry Commentary On The Holy Bible Volumes 1 2 3:

Matthew Henry's Commentary on the Whole Bible: Volume III-II - Psalm XCI to Song of Solomon Matthew Henry,

After Calvin Richard A. Muller, 2003-03-27 This is a sequel to Richard Muller's *The Unaccommodated Calvin* OUP 2000 In the previous book Muller attempted to situate Calvin's theological work in their historical context and to strip away various twentieth century theological grids that have clouded our perceptions of the work of the Reformer In the present book Muller carries this approach forward with the goal of overcoming a series of nineteenth and twentieth century theological frameworks characteristic of much of the scholarship on Reformed orthodoxy or what might be called Calvinism after Calvin

Comprehensive Commentary on the Holy Bible, 1875 *Why Christians Should Not Tithe* James D.

Quiggle, 2009-08-01 The premise of *Why Christians Should Not Tithe* is simple God having freed his people from the Law through faith in Jesus Christ does not place on them a burden from the Law The thesis is equally as simple Christian giving is not a tithe Christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed *Why Christians Should Not Tithe* is a thorough discussion of the four tithes in Moses Law Jesus comments on tithing and the twenty one principles of giving developed by the apostles in Acts and the epistles Included is a brief review of the history of tithing from post apostolic times to the present The book concludes with a new paradigm for giving not based on the tithe but on the apostles doctrine of Christian giving Should Christians tithe to support the gospel Here is a study that will help every Christian discover the biblical answer for him or her self **The Literary World**, 1889

Booksellers' Record of British and Foreign Literature, 1882 *Happiness* Randy Alcorn, 2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today's culture the vast majority of Christians are perceived as angry judgmental people who don't seem to derive any joy from life whatsoever So why aren't we happy Unfortunately many Christians are taught early on that God doesn't want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In *Happiness* noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere *The Homiletic Review*, 1899 *Metropolitan Pulpit and Homiletic Monthly*, 1900
