Christian Morality Geoffrey W. Sutton, Brandon Schmidly, 2016-08-08. Should society care about Christian morality? Are Christians out of touch with complex moral decision making? *Christian Morality: An Interdisciplinary Framework for Thinking about Contemporary Moral Issues* provides readers with a framework for identifying and applying Christian moral principles to divisive issues. First readers learn of the theological and philosophical foundations of Christian ethics. Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality. Second readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues: abortion, same sex relationships, equal treatment of men and women in the workplace, sex education, and racial bias in incarceration policies.

Harsh Realities, Agonizing Choices Perry C. Cotham, 1996. Nine politically hot issues are examined in a pro and con discussion format. Key points are explained from the point of view that is understandable to the average person. The same points are then compared to related biblical passages. The reader will have a clear understanding of both sides of abortion, sexual morality, homosexuality, and other divisive issues. They will be challenged to think through their own positions on these issues.
