Enid Blyton: The Biography Barbara Stoney, 2011-08-26 Enid Blyton is known throughout the world for her imaginative children's books and her enduring characters such as Noddy and the Famous Five. She is one of the most borrowed authors from British libraries and she holds a fascination for readers old and young alike. Yet until 1974 when Barbara Stoney first published her official biography, little was known about this most private author, even members of her own family. The woman who emerged from Barbara Stoney's remarkable research was hardworking, complex, often difficult, and in many ways childlike. Now this widely praised classic biography has been fully updated for the twenty-first century and with the addition of new colour illustration and an extended bibliography of Enid Blyton's books, it documents the growing appeal of this extraordinary woman and her writing. The fascinating story of one of the world's most famous authors will once again intrigue and delight all those with an interest in her timeless books. **Delphi Collected Works of Enid Blyton (Illustrated)** Enid Blyton, 2022-09-20 A highly popular British author of stories, poems, and educational books for children, Enid Blyton produced numerous series that have remained worldwide bestsellers since the 1930s.
