Who is the better translator? Julien Appller,2016-09-22 Essay from the year 2015 in the subject Interpreting Translating grade 2 0 University of Heidelberg IUED course bersetzungswissenschaft language English abstract At the IUED at Heidelberg University many different students from all over the world gather to learn and improve their translation abilities This is probably one of the places with the most students who grew up bilingual studying together However there are not only students who grew up bilingual but also students who grew up monolingual After studying for some time most of the students ask the question Who is the better translator There are several assumptions about growing up bilingual positive ones as well as negative ones Every single one can be found on the internet posted by people worrying about their own children or other children and it can also be found in various books about the matter One of those assumptions is also Children who grow up bilingual will make great translators when they grow up so it is a legitimate question to ask who is better students who grew up bilingual or students who grew up monolingual and learned a second language later in life To investigate this matter many questions have to be analyzed The main question is about the issue of growing up mono or bilingual and becoming a translator In order to analyze this question it is best to divide the analysis into several sub points The first point addresses the following areas the definition of mono and bilingual the brain activity and development of children who grew up monolingual compared to children who grew up bilingual the pedagogical question of how children learn how adults learn and do children really learn languages better and faster than adults and if no how can adults have the same learning success as children The second regards the translator What does it mean to be a translator and what abilities are important to be one Is it enough to know languages just as a foreigner or does the translator have to be a native speaker of both languages he or she translates *Heinle & Heinle's Complete Guide to the TOEFL Test, CBT Ed* Bruce Rogers,2001 Guide to Listening Dialogues Longer Talks Guide to Structure About Structure Structure Guide to Reading Guide to Essay Writing Two Complete Practice Tests **Foreign Language Learning for Travelers** Adisa John,2023-09-04 Embark on a lifelong adventure of language acquisition with Foreign Language Learning for Travelers This comprehensive and inspiring guide takes you on a journey beyond the basics of language learning exploring how languages can enrich every aspect of your life and empower you to connect with people and cultures from around the world Have you ever wondered how language learning can continue to shape your life long after your travels end Foreign Language Learning for Travelers delves into the profound impact of multilingualism on your personal growth career opportunities and cultural enrichment Discover the joys of maintaining and improving your language
