

## To My Niece

My niece Khushi, a bundle of joy,  
A ray of sunshine, that's hard to avoid.  
With her sparkling eyes, and infectious smile,  
She brings happiness, that's truly worthwhile.

With every hug, she melts my heart,  
And brings a new beginning, a fresh start.  
Her laughter, her chatter, her silly antics,  
A source of joy, that's simply fantastic.

She's a little angel, sent from above,  
To spread love, and bring joy with her love.  
Her innocence, her purity, a true delight,  
That fills my heart, with pure delight.

With every moment spent with her,  
My heart fills up, with love and fervor.  
She's a gift, that's beyond compare,  
A true blessing, that's simply rare.

So, here's to my dear Khushi,  
A little star, that shines so brightly.  
Thank you for your love, your care, your grace,  
May God bless you, and your life always embrace.

You're a blessing, a joy, a little wonder,  
And I'm blessed to have you, as my niece forever.

## My Poems:

Poems Walt Whitman,1886    *Poems of Life* Timothy Wilkins,1908    *The Poems of Algernon Charles Swinburne*  
Algernon Charles Swinburne,1912    *My Poems Over the Years* Dwayne Mattingly,2022-07-14 Have you ever tried to write a poem When I was in the eighth grade I took literature and the teacher told us one of our projects would be we need to write ten poems and turn them in It doesn't matter the style or the content She wants to see how our creative minds work Having never written a poem ever I started and I must say finished the assignment and turned it in I received a few poems back with checkmarks which means good work and even more back with question marks I guess that meant What were you thinking What I did find out was I enjoyed developing poems so at fifteen years old I began to take writing poems a little more serious I wrote poems for the next thirty eight years I put the year I wrote each poem at the end of the poem In December of 2020 I found out I had kidney cancer and in January of 2021 they removed my right kidney We later found out it had moved to both my lungs and three lymph nodes in my midsection Now came the chemo I had to quit my job in August of 2021 due to the hand and feet syndrome I was unable to stay on my feet for long due to the pain For eight months I was wondering what is the next chapter of my life I felt the Lord was telling me to publish my poems in a book So here I am **My Poems Over the Years** is just that I pray you will not only enjoy reading them but also be touched by them    **Complete poems** George Eliot,1901    **Poems** Laura (Riding) Jackson,Laura Riding,1930    **Lyrics of Lives** Vinita Sahu,2019-02-12 My book LYRICS OF LIVES enumerates various categories of poems namely Nature Life Death Triumph Suspense Challenges of growing Urbanization and other virtues like truth innocence and piety All my poems revolve around the beauty of heart and soul how one battles against adversities how one comes out victorious even though situations pose numerous hurdle I've even taken a peek into issues of life and death our eternal journey that continues forever The baggage of this life transcends into the next good or bad we need to take responsibilities of our deeds The plight of our Mother Earth the so called Blue Planet endowed to us is in an alarming state My poems attempts to awaken mankind to save our Mother Earth The enchanting beauty of nature has been depicted beautifully in my poem The Wilderness that takes a supreme place among all my poems as it defines life that enjoys the ecstasy of nature far away from worldly clutter where you feel closest to the Almighty and take the delight it happens to offer Also suspense takes a special place among the list of my poems not with an aim to scare alone but seeing to it that suspense leaves you with some interesting message Hope that my readers find them engrossing and at the same time enjoyable Also the race to touch the pinnacle of success amass tangible possessions leave behind others has turned the new genre into machines Their speed and success drive have snapped them tragically from their near and dear ones My poem Lyrics of Lives dwells on piety piety within family and piety for the larger family under the sky This will be clear through Maami and After Thirty Years Apart from spiritual angle my poems talks about the bitterness of human society how they abandon people who might need them whose agonies could be attended through their love and care

but alas Life perishes and others never get to know why My poems delve with streaks of personality that one is born with and which is a hard crust to crack yet I also believe that certain catastrophic incident in one's life has the ability to reformat one's perspective towards life as will be apparent in my poems The Chiselled Diamond and Blissful Amiss Finally My Little Restless Nephew and Oh Dad comes along with the fragrance of innocence and reverence the former brings smile to the face while the latter fills tears into eyes for having lost such endearing dad a God substitute in most of our lives **A Collection of Words** Dustin Carr, 2012-05 This book contains a mere collection of poetry letters and other works that have been compiled over time The author has written over time based on circumstance and feeling You will find that some of the pieces of works are dated and others are not never fear all that means is that the time was never recorded or simply the original was lost and I found a copy If there are any other dated pieces of works that are especially vague that just means that it was not labeled but I knew the general date when I wrote it Please keep in mind that the names have been changed to protect both myself and who they are written to for or about You may find some opinionated text about certain parties but such is the nature of the text that it is in There is not much else to say but the fact that as you read this book I hope you enjoy my life my thoughts my feelings but most of all I hope you enjoy the beautiful art of creative writing **Poems and Selected Letters** Robert Burns, 1959

### **The Writings of John Greenleaf Whittier: Narrative and legendary poems** John Greenleaf

Whittier, 1893 **Me and My Poems** Anita Harvey, 2018-06-15 My inspiration for my poems comes from everywhere people movies my children everyday life My poems are mostly about love life destiny fate emotions and feelings I feel that in our world we need to feel more and care more about what is happening around us We just get so busy we don't stop to smell the flowers or take much notice of anybody else We are in such a rush to get from point A to point Z without ever thinking which way we have to go I would like people to see that my book of poems is inspirational to love more care more take the time to

get to know someone for who and what they are inspire yourself to inspire others encourage people to love more care more Be all you can be be more in the presents of LIFE And finally SMILE Life is really worth LIVING Give yourself the chance to breathe and shout out loud IM ALIVE and LOVING IT Thank you LIFE IS BEAUTIFUL **Poetic Inquiry and Arts-Based**

**Research for the Maintenance of the Republic and What Comes After** Angelo J. Letizia, 2023-12-19 This book demonstrates the power of poetry and the ways in which academics can utilize poetry to go beyond the scholarly realm and create works of art which unlike traditional academic works problematize and question reality rather than simply describe it Through its disciplinary scholarly and personal construction poetry holds the potential to erase what we know and build a new world The purpose of this book is to show how professors and students who write poetry can be emboldened to imagine new forms of government and political arrangements promote social change and challenges to power structures and detail radical ways of living with each other more generally Conceiving of the republic as a democratic republic or representative democracy the author calls attention to the idea of poetry as evidence based which despite the absence of verifiable data nonetheless gives

structure to ideas and experiences filtered through human cognition imagination and senses Grounded in theory arts based research and poetic inquiry and supplemented with practical class assignments pedagogical strategies and reflective items this volume will appeal to faculty scholars and postgraduate students working across research methods arts based research and practice and language and linguistics

**My Book of Poems for the World** Raymond Christian, 2011-06-01 I have to

attribute the note keeping concerning my poems in my early years of writing to my Uncle James Melvin Jones although he is deceased he taught me how to notate things at a very young age I was taught how to put a date the time the poem was written and put the reason for writing my poetry by him As a young man at the age of thirteen I learned about documenting my work I carried it throughout my years of writing and this is where it has taken me It has brought me to the point where my fifth book My Book of Poems for the World I hope this book will touch your heart concerning the many attributes of life I have shared with you Although I do not have a set style of writing I consider myself as being creative and versatile a God given ability and talent to create words with energy and emotions The variety of poems that are placed in this book are unique in their own way I pray which ever poem or prose enlightens your heart that you embrace the words and share them with someone else that you may be able to enlighten to help change the course of their life Poetry is a spiritual gift of love concerning the many evolutions and cycles that this world we call the planet earth evolves around It is a gift of love shared by the muses of ones connectivity to bring an individual or individuals into a glorifying act of happiness and peace through each word each line each stanza and ending What you choose to grasp and take with you concerning my work I pray it will be with you forever My Book of Poem for the World is a mixture of my work According to how you feel at the time you pick up the book to read it I am certain you will thumb through the pages and say to yourself I like this one or that one just remember that any poem or prose you choose it is definitely up to your liking I captured many emotions and feelings in this book concerning the poetry and prose enclosed You will find poems and prose of love romance humor spiritual enlightenment death and poems and prose of just food for thought On the spiritual side of it all I must say that the prose Just One More Soul is one of my best works It deals with the lost soul and how you must seek God for yourself There is also A Penny for Your Thoughts quite controversial yet it leads you to a higher power as one would say but of course there is only one true God If you would go deeper into the books and study it carefully I am certain that you are going to run across what I consider a little food for thought a prose I have written titled My Shoes My Bed My Table if you really have a heart ticking in your body once you finish this one prose I am certain you will become more involved in what is taking place with those who are in need of assistance Not just the homeless but the widows orphans and strangers who you turn your backs on daily I Cry from the Womb is based on the awareness all mothers should have due to their ability to bring life into this world a child crying for their mother s protection sensitive and touching Although I do not consider myself to be a controversial writer I understand that some of my work does take some people into deep thought meaning critics and will cause them to think otherwise I must

state that because of my love for all mankind I only write what I know to be factual and true what I have experienced and what I have researched myself in order that the truth does not get distorted Prose like The Whip An Unpaid Debt The Dim Lights of Justice and a few others may spark a few thoughts concerning your creed color or religious background but I state it is time for a positive change to occur and if my work begins to reopen the doors of concern for everyone to put their cards on the table and show their hands then there is not a need to vote    **The Club Woman's Magazine** ,1925    **Delving**

**Into Different Literary Terrains** Subhajit Bhadra,2023-04-01 Since the beginning of 2nd half of 20th century various critical theories came into existence and every student and teacher of literature was influenced by those theories which were basically addressing the demands of other social sciences But theoretical schools of western part of the world also inspired colonial and postcolonial reimagining The present book employs many of those theories without being obscure or ambiguous The book gets a wider value because the writer expresses his views reviews interviews and critical essays which are theory oriented An extra value of the book is that author here also plays the role of a translator And last but not the least the robust language plays a great job here and the domain is world literature    **Minor Poets of the Caroline Period ...: John Cleveland: Poems. Thomas Stanley: Poems not printed after 1647; Poems printed in 1647 and reprinted in 1656 but not in 1651; 1651 poems; Poems appearing only in the edition of 1656.
