Tran, 2014-04 This memoir demonstrates what the Vietnam War did to Tran s family her people and her country From inside cover **Journey Of Revenge** David Z. Price, 2010-05-07 We must be very careful of how we raise our children If the wrong message is sent to the child the end result can be tragic Children are very impressionable and are born with the desire to please their parents It is a parent s responsibility to raise the child into adulthood in a proper manner There are no good templates to follow or precise instructions for the creation of a well rounded child That would be far too simple Parents must remember that a perfect child does not exist They also must remember that a child needs to be a child Each child is very different and each child requires special attention that can only be given by loving parents If but one parent or future parent reads this book and realizes the potential effect of their actions on a child and changes their parenting approach then I have done my job This novel reflects the effect of an overbearing abusive parent on a child The child Zeke possesses the ability to fully remember everything since he was three years old Zeke is both physically and mentally abused by a controlling mother Marie who is relentless in her quest to prove to the boy that he is evil and worthless Zeke grows up through childhood to believe that he is really the monster that his mother makes him out to be Zeke is driven to seclusion early in life by Marie He only feels safe when he is alone where nobody can see or touch him He is safe only in a world where he is the one in control and he makes the decisions Zeke s father James is a workaholic and is seldom around to realize the abuse that goes on during his absence Marie uses James to administer punishment to the boy for infractions that are blown out of proportion by her anger toward the child The reality is that Marie never wanted the child and she blames James for the existence of the boy The truth is that James fears being at home with Marie as much as Zeke does The control and abuse doesn t stop with Zeke it

also filters down to James The story follows Zeke through school where he is constantly in trouble with other children and school officials His punishment for his behavior is severe and his anger toward the world increases as each day passes In each case where he is wronged he must retaliate Zeke fully understands right from wrong but he can't control his anger and hatred He won't even try why should he His only friend in life Tony suffers a tragic death at a very young age and Zeke blames himself for not being able to save him He feels that if he had only listened to Tony that he could have saved him That guilt follows Zeke for the rest of his life He has his first romantic interlude at an early age with a young female neighbor His trust and ability to care about females is further damaged by the actions of this young lady Marie has laid the groundwork for Zeke to possess the power to hate when he is rejected He will not be controlled by anyone He will be the one who controls each situation Only Zeke's feelings matter anymore Zeke begins to suffer from reoccurring nightmares that haunt him almost daily He can't escape them and they continue to burn their way into his mind A faceless demon with a blood dripping dagger chases him relentlessly in his nightmares The nightmare intensifies over the years until one day he sees the face of the demon clearly During the story Zeke's life crosses the path of an undesirable vagrant named Whitey He proves to be an individual that needs to be dealt with Whitey is just another person who tries to control and abuse Zeke Zeke's quest to get even with Whitey takes him to a place in his mind that he will travel numerous times in the future Many chose to cross Zeke during his life and he comes up with unique ways to deal with these individuals Zeke believes that those who wrong him deserve to be punished and no punishment is too great for those who betray him Zeke escapes his life at home through the help of James only to find that life aw

Action Adventure Staying alive depends on stealing a sailboat What was in the large canvas sack A body Whatever he saw young Fisher wished he hadn't because now they're after him He believes running away is his best way to stay alive There aren't many ways for a kid to escape but living in coastal Maine there are hundreds of islands to hide on Stealing a small sailboat he disappears into the night But Fisher quickly discovers that was the easy part **Dharma Punx** Noah Levine,2009-10-13 Fueled by the music of revolution anger fear and despair we dyed our hair or shaved our heads Eating acid like it was candy and chasing speed with cheap vodka smoking truckloads of weed all in a vain attempt to get numb and stay numb This is the story of a young man and a generation of angry youths who rebelled against their parents and the unfulfilled promise of the sixties As with many self destructive kids Noah Levine's search for meaning led him first to punk rock drugs drinking and dissatisfaction But the search didn't end there Having clearly seen the uselessness of drugs and violence Noah looked for positive ways to channel his rebellion against what he saw as the lies of society Fueled by his anger at so much injustice and suffering Levine now uses that energy and the practice of Buddhism to awaken his natural wisdom and compassion While Levine comes to embrace the same spiritual tradition as his father bestselling author Stephen Levine he finds his most authentic expression in connecting the seemingly opposed worlds of punk and Buddhism As Noah Levine

delved deeper into Buddhism he chose not to reject the punk scene instead integrating the two worlds as a catalyst for transformation Ultimately this is an inspiring story about maturing and how a hostile and lost generation is finally finding its footing This provocative report takes us deep inside the punk scene and moves from anger rebellion and self destruction to health service to others and genuine spiritual growth *Way Back when* Jerry Harju,2004 Want to go back in time Humorist Jerry Harju tells how it was when kids could bring knives to school but not marbles And what was on the menu when his father was the first stay at home dad Jerry will jog fond memories of 1940 s radio commercials and Christmas goodies the Great Depression Syndrome of saving string and tinfoil when the phrase trick or treat had teeth in it and yes even some jail time *Way Back When* is a collection of selected essays published in the Mining Journal Upper Michigan s largest newspaper Book jacket **Two Brothers and the Wicked Wife** Dennis Bourdeau,2025-10-08 Dennis was a happy child who loved music and sports Dennis followed his older brother Duke everywhere He had no idea that when his brother would leave for the Marines evil would soon come into their lives Duke and Sonia Duke s Filipino wife moved to California They had dual citizenship so they could travel back and forth At age fourteen Dennis was walking home from his guitar lessons when he heard a loud bang and felt a sharp pain in his leg He knew he was shot and took off running Too scared to go home he went to his friend s house and he had a sister who was studying to become a nurse Sue used safety pins and medical tape to patch him up Dennis bought his first car at age fourteen He took his car to a local garage where he met Mike who became a lifelong friend who helped Dennis in his many troubles Dennis began working at Jewel food store sacking groceries at sixteen There he met Angel the love of his life They would later marry and have a son Things got crazy Unknown Asian people were showing up trying to harm him at random places Dennis and Mike tried to protect Dennis s family without telling them what was going on Dennis did not understand or know why this was happening The death threats people following him and attacks went on for years This destroyed relationships and jobs Not until the murder of Duke were Dennis s eyes finally open to who was responsible for the hell he lived through It took two decades to get Duke s remains back to his hometown and the cold blooded murder of another innocent man another victim of the black widow *Freedom Jail* Ayo Opadokun,1999
