Silence Is No Reaction Ian Glasper, 2023-08-15 Formed in Wiltshire England in 1980 the Subhumans are rightly held in high regard as one of the best punk rock bands to ever hail from the UK Over the course of five timeless studio albums and just as many classic EPs not to mention well over 1 000 gigs around the world they have blended serious anarcho punk with a demented sense of humour and genuinely memorable tunes to create something quite unique and utterly compelling For the first time ever their whole story is told straight from the recollections of every band member past and present as well as a dizzying array of their closest friends and peers with not a single stone left unturned Bolstered with hundreds of flyers and exclusive photos it's the definitive account of the much loved band

Snapping and Wrapping: Personal Photography in Japan Richard Chalfen, 2021-06-08 Snapping and Wrapping represents an original study in Japanese visual culture pictorial communication and photographic studies Vernacular visual culture is highlighted stressing ordinary people and everyday life to explore photographic expressions of Japanese family life The theme of how people looked is described from two closely related perspectives how people appeared in their own photographs and how people looked at specific features of their own lives with analog camera technology The book includes unexamined material based on a qualitative study involving personal fieldwork undertaken between 1993 and 2009 The metaphor of wrapping culture Hendry is suggested for ways of interpreting relationships of personal family photographs in conjunction with acknowledged cultural influences and values of Japanese culture Across an introduction and six chapters the book covers a series of research topics evoked by efforts to recover repair and return millions of photographs to survivors following the 2011 Great East Japan Earthquake Memory privacy and kinds of information control are reviewed as parts of strategies of sharing pictures presence and the use of photographs for interpersonal interaction and communication Throughout the monograph emphasis is placed on understanding details of analog personal photography for potential comparisons to the intensely popular digitalization of photographic recordings and in turn facilitate making informed speculations for future photographic practice This book will be of interest to upper level students graduate students and scholars in the fields of media and culture Asian Studies especially Japanese visual culture as well as those working on sensitive relationships of family memory and representation

Emeli Sande - The Biography David Nolan, 2013-09-02 Thrust into the international spotlight at the 2012

Olympic Games thanks to her moving performances of Abide with Me at the opening ceremony and Read All About It Part III at the closing ceremony Emeli Sand is now an international superstar However her breakthrough came much earlier in August 2011 with the release of her first single Heaven which peaked at number two on the UK Singles Chart Since then Emeli has been unstoppable releasing her debut album Our Version of Events in 2012 to critical acclaim an album which went on to be the UK's bestseller in 2012 What many don't realise is that Emeli is more than just a singer An Avid pianist and songwriter from an early age Emeli has co-written songs for a huge number of artists including Tinie Tempah Alesha Dixon Cheryl Cole Professor Green Leona Lewis and even Susan Boyle And while music has always been her first love Emeli is a firm believer in the importance of education and was studying for a degree in medicine at Edinburgh University before deciding that music had to take precedence Winning the Critics Choice Brit Award in 2012 has confirmed the young Scottish singer as one of the great musical talents of a very talented generation and while publicly 2012 was a hugely successful year for Emeli privately it was too as she married her long term boyfriend Adam Gouraguine in his home country of Montenegro Journalist David Nolan delves deep to paint a complete picture of the life of this talented musician from her childhood in rural Scotland to Olympic glory and offers a glance at what be next for this prodigious talent This is a must read for any fan
