## Major Prophets Of Today:

**Their Master's Voice** Chris Woodall,2020-11-03 Of the five books that make up the Major Prophets in the Old Testament three are amongst the largest of the Bible Isaiah Jeremiah and Ezekiel As if to underscore their Major status each one is significantly longer than the Minor Prophets combined Although the specific details of each prophet s contribution differ a more general overarching theme may be discerned in them all to remind their respective target audiences of their covenantal obligations The prevailing human condition throughout the ages ensures that while circumstances cultural development and technological advancements do change with time the underlying sinful disposition of mankind remains constant in every epoch Mercifully God s messages to both victim and perpetrator alike are similarly unchanging In the stream of progressive revelation it would be irresponsible simply to dip into the waters of the Old Testament and translate its lessons to our day without due process That process might include asking certain questions of the texts under consideration Are the lessons provided by these Old Testament saints applicable to us as Christians in the twenty first century Do their words still speak today Only if Christian believers are still prone to such folly as chasing disposable pleasures instead of choosing meaningful pursuits Major prophets of to-day Edwin Emery Slosson,1968 **Major Messages from Minor**

**Prophets** Jeffrey A. Ingraham,2021-06-21 During the early part of 2019 our Sunday school lessons centered on the Old Testament prophets particularly the minor prophets It was a great challenge to understand their messages and the messages relevancy for our times It seemed as if there really were no significant differences in these books of prophecy as the minor prophets all seemed to be saying the same thing Of course there are differences in the messages and ministries of the minor prophets hence my attempt to show so My goal was to summarize the writings and ministries of the minor prophets and show their relevancy for today This I did through a series of sermons that were initially delivered in the Calvary Baptist Church during the winter of 2019 My goal was to make the teachings of the minor prophets understandable to every segment of our membership The approach was more inspirational than overly scholarly Each chapter of the book is provocatively titled and begins with a story or illustration that centers on that particular subject The intent was to reference something that the reader could relate to and see how the prophet addresses that matter Of course not every single detail of the prophet s message is included due to the constraints of time etc My hope is that the readers of this book will come to know God better and to have a relationship with him They will see that in spite of people s imperfections our God is perfect and faithful toward us The minor prophets challenge us to live faithfully for God To the extent I have been able to evoke this kind of response from my readers I give all glory and honor to God *Major Prophets of Today* Edwin E.
