Making A Good Script Great:

Making a Good Script Great Linda Seger, 2010 Making a good script great is more than just a matter of putting a good idea on paper. It requires the working and reworking of that idea. Making a Good Script Great takes you through the whole screenwriting process from initial concept through final rewrite, providing specific methods that will help you craft tighter, stronger, and more salable scripts. While retaining the invaluable insights that placed its first two editions among the all-time most popular screenwriting books, this expanded, revised, and updated third edition adds rich and important new material on dialogue, cinematic images, and point of view, as well as an interview with screenwriter Paul Haggis. If you're writing your first script, this book will help develop your skills for telling a compelling and dramatic story. If you're a veteran screenwriter, it will help you articulate the skills you know intuitively. And if you're currently stuck on a rewrite, this book will help you analyze and solve your script's problems and get it back on track. Book jacket *Making a Good Script Great* Linda Seger, 1994 Making a good script great is not just a matter of having a good idea. Nor is it a matter of just putting that good idea down on paper. In scriptwriting, it's not just the writing but also the rewriting that counts. This book focuses on the rewriting process and offers specific methods to help you craft tighter, stronger, and more workable scripts. While retaining all the valuable insights that have made the first edition one of the all-time most popular screenwriting books, this expanded second edition adds new chapters that take you through the complete screenwriting process from the first draft through the shooting draft. If you're writing your first script, this book will help develop your skills for telling a compelling and dramatic story. If you're a veteran screenwriter, this book will articulate the skills you know intuitively. And if you're currently stuck on a rewrite, this book will help you analyze and solve the problems and get your script back on track. Back cover Making a Good Writer Great Linda Seger, 1999 Teaches writers how to be creative within the craft of screenwriting and discusses theme, development, sensation, thinking, dream images, character, opposition, and personal vision. **The Collaborative Art of Filmmaking** Linda Seger, 2019-01-30 The Collaborative Art of Filmmaking: From Script to Screen explores what goes into the making of Hollywood's greatest motion pictures. Join veteran script consultant Linda Seger as she examines contemporary and classic screenplays on their perilous journey from script to screen. This fully revised and updated edition includes interviews with over 80 well-known artists in their fields, including writers, producers, directors, actors, editors, composers, and production designers. Their discussions about the art and craft of filmmaking, including how and why they make their decisions, provides filmmaking and screenwriting students and professionals with the ultimate guide to creating the best possible blueprint for a film and to also fully understand the artistic and technical decisions being made by all those involved in the process. **You Talkin' to Me?** Linda Seger, John Winston Rainey, 2020 Pre-publication subtitle: Writing great dialogue.
