

The book cover features a central diamond-shaped frame with a double-line border. Inside this frame, the title and authors' names are printed. The background of the cover is a light tan color, with a central vertical band of olive green. This green band is flanked by thin, parallel vertical stripes in a slightly darker shade of green. Above and below the diamond frame, there are decorative elements consisting of three stylized, downward-pointing chevrons or 'V' shapes, each containing a small diamond, arranged vertically.

MAKING FASCISTS

Making Fascists

Columbia University

Making Fascists:

Making Fascists Herbert Wallace Schneider, Shepard Bancroft Clough, 1929 Bibliographical note p 205 *Making Fascism in Sweden and the Netherlands* Nathaniel D. B. Kunkeler, 2021-09-09 There was no representative fascist movement during interwar Europe and there is much to be learned from where fascism failed relatively speaking So Nathaniel D B Kunkeler skillfully argues in *Making Fascism in Sweden and the Netherlands* the first in depth analysis of Swedish and Dutch fascism in the English language Focusing on two peripheral and therefore often overlooked fascist movements the Swedish National Socialist Workers Party and the Dutch National Socialist Movement this sophisticated study de centres contemporary fascism studies by showing how smaller movements gained political foothold in liberal democratic regimes From charismatic leaders and the rallies they held to propaganda apparatus and mythopoeic props seized by ordinary people *Making Fascism in Sweden and the Netherlands* analyses the constructs and perceptions of fascism to highlight the variegated nature of the movement in Europe and shine a spotlight on its performative process Drawing on a wealth of archival material and using a highly innovative methodology Kunkeler provides a nuanced analysis of European fascism which allows readers to rediscover the experimental character of far right politics in interwar Europe **Making the**

Fascist State Herbert Wallace Schneider, 1928 **A History of Fascism, 1914-1945** Stanley G. Payne, 1996-07-15 A History of Fascism is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti The Nation A magisterial wholly accessible engaging study Payne defines fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly **Making Fascists** Herbert Wallace Schneider, Shepard Bancroft Clough, Communism and Fascism Jerome Davis, 1930 MAKING FASCISTS HERBERT W. SCHNEIDER, 2019

Information Service, 1929 **The Machine Has a Soul** Katy Hull, 2025-06-17 A historical look at the American fascination with Italian fascism during the interwar period In the interwar years the United States grappled with economic volatility and Americans expressed anxieties about a decline in moral values the erosion of families and communities and the decay of democracy These issues prompted a profound ambivalence toward modernity leading some individuals to turn to Italian fascism as a possible solution for the problems facing the country *The Machine Has a Soul* delves into why Americans of all stripes sympathized with Italian fascism and shows that fascism's appeal rested in the image of Mussolini's regime as the machine which will run and has a soul a seemingly efficient and technologically advanced system that upheld tradition religion and family Katy Hull focuses on four prominent American sympathizers Richard Washburn Child a conservative

diplomat and Republican operative Anne O Hare McCormick a distinguished New York Times journalist Generoso Pope an Italian American publisher and Democratic political broker and Herbert Wallace Schneider a Columbia University professor of moral philosophy In fascism s violent squads they saw youthful glamour and impeccable manners in the megalomaniacal Mussolini they perceived someone both current and old fashioned and in the corporate state they witnessed a politics that could revive addled minds They argued that with the right course of action the United States could use fascism to take the best from modernity while withstanding its harmful effects Investigating the motivations of American fascist sympathizers *The Machine Has a Soul* offers provocative lessons about authoritarianism s appeal during times of intense cultural social and economic strain *Making Fascists (Classic Reprint)* Herbert W. Schneider, 2017-11-19 Excerpt from *Making Fascists* Soviet Russia by Professor Samuel N Harper Professor of Russian Language and Institutions in the University of Chicago Great Britain by Professor John M Gaus Professor of Political Science University of Wisconsin About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

An Introduction to Contemporary Civilization in the West Columbia University, 1930 **The Four Freedoms in the Making** Horace Boies Hawthorn, 1946 **The Century** Josiah Gilbert Holland, Richard Watson Gilder, 1928 The Making of Fascism Dahlia S. Elazar, 2001-08-30 Elazar examines the social and political processes that determined the character of Fascist organization in Italy and its seizure of state power first in the provinces and then in the nation She argues that the Fascists modus operandi shaped the political struggles they engaged in and reflexively determined their own political significance Employing both primary and secondary historical sources Elazar reveals the crucial internal political struggles and inner contradictions through which Fascism was invented The political strategy of paramilitary organization and assault on labor and the Socialists carried out by the Fascist Action Squads in collusion with men of property was crucial in determining their seizure of power But this also determined the ideological and organizational contours of Fascism itself The Fascist Squads alliances with men of property made them a formidable faction within the Fascist organization that could and did challenge Mussolini s authority The making of Fascism is thus marked by the irony of the relationship between Mussolini and his political power base the Squads The very element of paramilitary organization that was decisive in the Fascists seizure of power in the provinces had to be submerged by Mussolini if he was to preserve his power Historical and comparative sociologists political sociologists and students of Italian Fascism and Italian history will find this new explanation of the making of Fascism both provocative and fascinating Address of Henry Austin Before the Second

Nationalist Club of Boston, at Twilight Hall, Aug. 25th, 1890 Henry Austin, 1890 **Current History and Forum ...**, 1926

The Fascist Experience Edward R. Tannenbaum, 1972 Tannenbaum attempts to reconstruct the social context of Fascism's rise by rediscovering the perspective of the Italians who actually experienced it as a patriotic anti Communist movement of national social renewal His sources include Mussolini's correspondence previously unpublished reports by the party and police officials which records public opinion in the provinces the popular press radio newsreels commercial films postcard art songs letters and textbooks Publisher's note International Journal of Ethics, 1929 Includes section Book reviews *Books for All* Providence Public Library (R.I.), 1930 Catalogue of Copyright Entries Library of Congress. Copyright Office, 1929

When people should go to the books stores, search foundation by shop, shelf by shelf, it is truly problematic. This is why we provide the books compilations in this website. It will enormously ease you to see guide **Making Fascists** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly.
