## My Job Is A Joke:

*My Job is a Joke* Matt Silverman,2004      **The Joke'S on You, This Time** Charles Rice,2017-04-26 Like my first literary attempt The Jokes on Me this book is primarily a collection of editorials and letters to the editor of the local newspaper along with running commentary and some attempted justification for the foolishness The first book would not exist if it hadnt been for the insistence of several people that all this should be in a book Most of the letters to the editor in this first section were written under the guise of the Greater Sycamore Valley Chamber of Commerce an entity that existed only in the minds of its readers Some of the letters were just personal reflections on the situation of the day Some of the letters may seem terribly redundant but I never was one to pass up an opportunity to tell the same joke twice The second and most important part of this book contains Sunday Guest Editorials which I have written for publication in the local newspaper These editorials deal with issues of a religious nature and were written in the hope that they would stimulate readers to contemplate their own relationship with the One who spoke and all things came into existence      New Jersey College for Women Alumnae Bulletin,1929      The Wit and Humor of America Marshall Pinckney Wilder,1911      The I Hate My Job Handbook Ellen Tien,Valerie Frankel,1996 Does the very mention of your boss s name make your left eye twitch uncontrollably Does the clock seem to move with the speed of Continental Drift between the hours of 9 to 5 Do your friends and family put their hands over their ears and sing The Battle Hymn of the Republic whenever you start to complain about office anger If you answered yes to any of the above then you are a charter member of the I hate my job club But before you punch yourself out be assured that there are ways to lower your work misery index With the help of two or three hundred war scarred employees and numerous career experts authors Ellen Tien and Valerie Frankel deliver you from office hell You ll find practical guidelines and ingenious strategies to lessen the pain and lighten the load including How to deal with your fearful leader the seven most common not to mention frustrating managerial types from Mr Right and Don t You Forget It to Sybil The smartest ways to play office politics without feeling like a total sleaze plugging into the grapevine persuading your colleagues to dish kissing up without losing your lunch Quizzes surveys and clever ploys for the corporately challenged to get you through the daily grind and a blueprint to engineering your own firing complete with a tidy severance package and a glowing recommendation letter no kidding Plus true tales of sweet revenge Just desserts are right around the corner **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved      *The Wit and Humor of America* Mrs. Kate Milner Rabb,1907      *Why I Loved My Job With Sears®* Bill E. with a joke that was eerily familiar The article was a hit with readers and since then it's become a regular feature with the magazine's humor sections Whether it's poking fun at typical relationship issues or pointing out the inanity of local bureaucracy That Reminds Me of a Joke will keep you laughing     Digest ,1926     **The World's Work** ,1910
