## **My Own Picture Diary:**

**My Own Picture Diary** JoAnn DeJoria, Stan Smith, 2002-11-25 A gift book for children and a keepsake for parents It is a diary with blank space on each page for the child to fill in but with pictures instead of words It is designed for children aged eight and above Each page of My Own Picture Diary uses The Alpha buddies in a 4 color frame for the child's drawings There is a fresh art assignment on each page Draw Where You Live Draw What You Did Today Draw Something Happy and others

*In My Own Image* Ivan Pasztor, 2011-02-25 I have always wondered at the nature of God Why are we the way we are Why are there so many different types of people both in culture and physical appearance Why can the world seem so beautiful and harmonious and yet so like a garbled complex of organized inadequacies Why have there been so many gods Why did people once believe in a polytheistic deity and now so many in a single God Why do so many cultures have so many ideas as to what that one true God is Why is it essential that our one idea of God be the correct one Why can't each person's perception of God be unique and yet tolerable to all other people Why are some people sure there is a God Why do some people doubt And why are others very sure a God couldn't possibly exist If there is really a God did he truly create us in His image What exactly does it mean to be created in His image Do we mean physical appearance Or intellect Or free will
