My Not So Perfect Life Sophie Kinsella, 2017-02-07 NEW YORK TIMES BESTSELLER Part love story part workplace drama this sharply observed novel is a witty critique of the false judgments we make in a social media obsessed world from the author of *The Party Crashers* and *Love Your Life* Sophie Kinsella keeps her finger on the cultural pulse while leaving me giddy with laughter Jojo Moyes author of *The Giver of Stars* and *The Last Letter from Your Lover* Everywhere Katie Brenner looks someone else is living the life she longs for particularly her boss Demeter Farlowe Demeter is brilliant and creative lives with her perfect family in a posh townhouse and wears the coolest clothes Katie's life meanwhile is a daily struggle from her dismal rental to her oddball flatmates to the tense office politics she's trying to negotiate No wonder Katie takes refuge in not quite true Instagram posts especially as she's desperate to make her dad proud Then just as she's finding her feet not to mention a possible new romance the worst happens Demeter fires Katie Shattered but determined to stay positive Katie retreats to her family's farm in Somerset to help them set up a vacation business London has never seemed so far away until Demeter unexpectedly turns up as a guest Secrets are spilled and relationships rejigged and as the stakes for Katie's future get higher she must question her own assumptions about what makes for a truly meaningful life Sophie Kinsella is celebrated for her vibrant relatable characters and her great storytelling gifts Now she returns with all of the wit warmth and wisdom that are the hallmarks of her bestsellers to spin this fresh modern story about presenting the perfect life when the reality is far from the truth

Family Portraits Ken Carroll, 2010-06-29 The room was silent as all the adults stared him into the floor With carefully enunciated words that whipped across the room his father spoke the almost a whisper voice louder than any shout could have been You're killing me

Aaron You're killing me I do my best for you Mom does her best for you And right now I'm ashamed to say you're my son You might as well put a bullet in my head cause that's what you're doing The room was as silent as a morgue as John stormed out leaving the door open Hours later Aaron stood there staring at the computer screen He stood there staring at the floor He stood there staring at the gun And it was all so clear It was clear but white at the same time as if in a sharp brilliantly white haze His father was dead John Farmer had been struggling lately but no one suspected how many problems riddled this seemingly perfect Christian man and his family His sudden death causes everyone he has known to question their role in this tragedy none more so than his family who know the secrets of his heart Or do they As the family begins breaking apart and blame is assigned John's wife uncovers a secret computer journal he kept in a laptop titled Family Portraits The family soon receives an intimate glimpse into the depths of a soul hidden from everyone What will the Family Portraits reveal Discover for yourself in this captivating thought provoking page turner The truth will astound you **Seeking Passage** Rebecca A. Martusewicz, 2001 In this eloquent collection of essays Rebecca Martusewicz positions a philosophy of education that relies on what transpires between teachers and learners in various contexts She thoughtfully analyzes how in the relationship between teachers and learners all kinds of ideas beliefs interpretations and meanings are generated as a result of potent generative forces that depend as she demonstrates using post structuralist theories on difference as their fuel Ultimately she argues that to become educated requires an attention to the welfare of self and others and a willingness to confront and shift one's own habits practices and beliefs for that purpose This work contains clear translations of post structuralist theories such as those of Deleuze Serres and Derrida well written essays that blend good storytelling theory and ethical analysis to reconceptualize education as the means toward social justice and a clear argument for the drawing together of analyses of difference introduced by post structuralism with attention to ethics and social justice as they apply to education

Miller, 2025-04-09 WALKING IN THE GARDEN WITH GOD VOL 2 is a collection of treasured childhood memories testimonies revelations and poems that take up where the 1st book left off Many of the stories are taken from the author's life as she strives to get to know God on a deep personal level As she walks the journey of a million footsteps she pauses in quiet reflection to pen her thoughts hoping to find precious pearls of wisdom that might have been overlooked Each chapter is an open invitation to come along as the author greets the Lord at the garden gate of her heart each morning for their daily walk The path taken will feel familiar to most Christian travelers as each turn of the page takes them on a journey that is relatable to their own life experiences In many instances these stories tell your story too After all aren't we all kindred spirits making our way down the Road to Glory together with the help of the Lord
