

Dear Younger Self

Dear Younger Self,

You have been through so much,
But yet you have stayed strong.
Picking yourself up,
And carrying on.

For this, I must express,
An abundance of gratitude.
I wouldn't be where I am today,
Without your determined attitude.

I am a different person,
Different to you now,
This is because of you,
Growing and showing me how.

I am so thankful that you carried on
And your dreams you worked towards.
As for all your struggles,
I have received glorious rewards.

Love your Older Self

My Self:

My Avatar, My Self Zach Waggoner, 2014-01-10 With videogames now one of the world's most popular diversions the virtual world has increasing psychological influence on real world players This book examines the relationships between virtual and non virtual identity in visual role playing games Utilizing James Gee's theoretical constructs of real world identity virtual world identity and projective identity this research shows dynamic varying and complex relationships between the virtual avatar and the player's sense of self and makes recommendations of terminology for future identity researchers

Walt Whitman's "Song of Myself" Walt Whitman, 2005 An intelligent introduction to this famous poem including contextual information an overview of critical reception and critical extracts key passages with commentary and annotation and the poem in its full final 1881 edition

Confessions of a Heretic Eric Leland Saak, 2025-06-15 This book is the

second of a planned three volume systematic theology under the title Confessions of a Heretic Volume One which has the subtitle Philosophical Considerations was published by Archway in 2024 The project now turns to Theological Considerations with the forthcoming Volume Three being Ecclesiological Consideration Organized into three Parts Volume Two focuses on the theological endeavor and the doctrines distinctive to Christianity namely the Trinity Jesus Christ sin and salvation Based on the foundational distinctions and definitions explicated in Volume One the current volume seeks to ask what the philosophical considerations imply for basic traditional understandings and terminology of Christian theology including that of Jesus of Nazareth his crucifixion and resurrection The project as a whole adopts a trinitarian structure with this second volume focused on God the Son or as here termed God the Perfector The argument is that Christian Theology needs to shift from an anthropocentric to a theocentric approach recognizing human beings simply as creatures and having the courage to face what that entails Yet doing so necessitates a radical reconceptualization of the very foundations of Christian Theology itself in the attempt to combat idolatry
