Mark Bruce

Making Of A Dance:

The Art of Making Dances Doris Humphrey, 1959 Art of making dances presents modern dance as theater It contains a short history of the dance and various chapters discuss design dynamics and rhythm of dance It includes a check list for composers of dances and an appendix of all the dances composed by Miss Humphrey *Making of a Dance* Thomas Victor, 1976 **On Choreography and Making Dance Theatre** Mark Bruce, 2018-02-01 There are many skills one needs to produce a piece of dance Bruce describes the basic foundation or ingredients of his version of Dance Theatre as Movement Drama Sound and Vision A choreographer has to study all of them to the best of their ability and learn how to combine them There is no definitive method of choreography Any choreographer who has a voice has learnt and executed it in their way Choreographers pick up things here and there from what they see who they work with and assemble a craft themselves So much of what they do as artists is intuition and instinct Creativity cannot be tamed and fully understood or concluded Artists are dealing with imagination On Choreography and Making Dance Theatre will be an invaluable insight into Bruce s approach both artistic and practical as he documents his process from the beginnings of ideas to the realisation of a full length production Bruce provides an explanation of the range of skills he believes are required and all that needs to be considered in the creation of dance theatre Award winning choreographer Mark Bruce s aim as an artist is to tap the subconscious our hearts transcend our everyday lives and hopefully stumble upon some truth along the way On Choreography and Making Dance Theatre is an invaluable artist s guide to making innovative new dance work **Making Dance Special** Melanie Peter, 2013-11-26 First Published in 1998 This book sets the foundations for educational dance in relation to pupils with wide ranging learning needs It takes seriously the notion of dance for all and explores a developmental approach for taking movement into dance with strategies to enable learners of all abilities to progress in the context of National Curriculum requirements It is grounded in the work of Veronica Sherborne and dovetails her developmental creative movement programme with the framework for educational dance pioneered by Rudolf Laban *Making Dances That Matter* Anna Halprin, 2019-02-08 Anna Halprin vanguard postmodern dancer turned community artist and healer has created ground breaking dances with communities all over the world Here she presents her philosophy and experience as well as step by step processes for bringing people together to create dances that foster individual and group well being At the heart of this book are accounts of two dances the Planetary Dance which continues to be performed throughout the world and Circle the Earth The Circle the Earth workshop for people living with AIDS has generated dozens of scores for others to adapt In addition the book provides a concrete guide to Halprin s celebrated Planetary Dance Now more than 35 years old Planetary Dance promotes peace among people and peace with the Earth Open to everyone it has been performed in more than 50 countries In 1995 more than 400 participants joined her in a Planetary Dance in Berlin commemorating the fiftieth anniversary of the signing of the Potsdam Agreements at the end of World War II More recently she took the Planetary Dance

to Israel bringing together Israelis and Palestinians as well as other nationalities Throughout this book Halprin shows how dance can be a powerful tool for healing learning and mobilizing change and she offers insight and advice on facilitating groups If we are to survive Halprin argues we must learn experientially how our individual stories weave together and strengthen the fabric of our collective body Generously illustrated with photographs charts and scores this book will be a boon to dance therapists educators and community artists of all types The Place of Dance Andrea Olsen,2014-01-30 The Place of Dance is written for the general reader as well as for dancers It reminds us that dancing is our nature available to all as well as refined for the stage Andrea Olsen is an internationally known choreographer and educator who combines the science of body with creative practice This workbook integrates experiential anatomy with the process of moving and dancing with a particular focus on the creative journey involved in choreographing improvising and performing for the stage Each of the chapters or days introduces a particular theme and features a dance photograph information on the topic movement and writing investigations personal anecdotes and studio notes from professional artists and educators for further insight The third in a trilogy of works about the body including Bodystories A Guide to Experiential Anatomy and Body and Earth An Experiential Guide The Place of Dance will help each reader understand his her dancing body through somatic work create a dance and have a full journal clarifying aesthetic views on his or her practice It is well suited for anyone interested in engaging embodied intelligence and living more consciously Publication of this book is funded by the Beatrice Fox Auerbach Foundation Fund at the Hartford Foundation for Public Giving *Moving from Within* Alma M. Hawkins,1991 A master dance teacher describes her method for teaching creative movement and choreography discusses creativity and how dance performance has been influenced by the other arts Includes exercises for dancers *Dramatic Dance* Darren Royston,2014-04-24 Dance is part of the art of theatre a part which connects to movement to communication to improvisation and to performance It cannot exist on its own in the context of dramatic performance but works in conjunction with other elements to enable meanings to be created in performance Dramatic Dance sets a programme for actors to perform dance as part of the drama offering several approaches which can contribute to developing this understanding to training this skill and always ensuring that the whole active and thinking body and mind are fully engaged with the task of making dance an integral and vital part of theatre To study dance in this way allows students to develop further their understanding of logic and structure in a dramatic text Many books deal with one aspect of dance or another some on dance training some on dance history some on Rudolf Laban s ideas some as dance manuals and some as academic papers Dramatic Dance is the first book to act as a comprehensive guide for theatre practice bringing together these different complementary disciplines **A Map of Making Dances** Stuart Hodes,1998 This all inclusive guide to the art of creating dance moves and routines written by the advisor and former dancer of the Martha Graham School and company contains 247 projects that guide the user through a myriad of topics Concepts and techniques such as form sequencing variation surrealism abstract movement improvisation
