This book examines the creative process of the Bee Gees and the latent elements that shaped their sound From their formative Australian work to the highs of their disco years and the scores of songs they wrote and produced for other artists the Bee Gees catalogue is vast and varied It is also distinctive Songs feature their signature falsetto vocals close three part harmony and knack for pop songwriting This book takes a unique approach to the musicology of music production It analyzes processual accounts and demo recordings to uncover what are defined as the latent elements of music production such as instruments lyrics meanings space sounds and recording techniques that are crucial in shaping the completed recordings but

are absent from what we hear It is a must read book for music production academics and students as well as anyone interested in the Bee Gees creative process [Story Time Success](#) Katie Fitzgerald,2016-06-23 Story time is a popular activity in public libraries Unfortunately many librarians and not just children s librarians are thrust into the role of providing this service have not taken a course or had the necessary experience of performing story times Story times are so popular that they are now offered to children of many ages not just to preschoolers This book will help librarians who have never done story time to learn to promote plan and perform story times and will be useful to experienced librarians to build on their story time repertoires Because story times are essential components of library service to children and in such demand in many libraries even librarians who have never done story time before are being asked to step into that role [Story Time Success A Practical Guide for Librarians](#) is comprehensive handbook which can help any librarian learn to promote plan and perform story times even with no prior training or experience Key elements include Customizable planning templates Hints for choosing appropriate books and other materials Suggestions for overcoming performance anxiety Troubleshooting for common story time problems and pitfalls Evaluation rubrics for performers and supervisors Veterans and beginners alike will find many useful pointers for establishing and improving their story time skills and repertoires [Soundtracked Books from the Acoustic Era to the Digital Age](#) Justin St. Clair,2022-06-15 Offering both a short history and a theoretical framework this book is the first extended study of the soundtracked book as a media form A soundtracked book is a print or digital publication for which a recorded musical complement has been produced Early examples were primarily developed for the children s market but by the middle of the twentieth century ethnographers had begun producing book and record combinations that used print to contextualize musical artifacts The last half century has witnessed the rapid expansion of the adult market including soundtracked novels from celebrated writers such as Ursula K Le Guin Kathy Acker and Mark Z Danielewski While often dismissed as gimmicks this volume argues that soundtracked books represent an interesting case study in media consumption Unlike synchronous multimedia forms the vast majority of soundtracked books require that audience activity be split between reading and listening thus defining the user experience and often shaping the content of singing books as well Mapping the form s material evolution this book charts a previously unconsidered pathway through more than a century of recording formats and packaging strategies emphasizing the synergies and symbioses that characterize the marriage of sound and print As such it will be of value to scholars and postgraduate students working in media studies literary studies and sound studies [**Management Information Systems**](#) R. Kelly Rainer,Brad Prince,Hugh J. Watson,2016-11-16 The 4th Edition of Management Information Systems promotes active learning like no other text in the market Each chapter is comprised of tightly coupled concepts and section level student activities that transport your students from passively learning about IS to doing IS in a realistic context [*Introduction to Information Systems*](#) R. Kelly Rainer,Brad Prince,2021-12-06 Introduction to Information Systems 9th Edition teaches undergraduate business majors how

to use information technology to master their current or future jobs Students develop a working understanding of information systems and information technology and learn how to apply concepts to successfully facilitate business processes This course demonstrates that IT is the backbone of any business whether a student is majoring in accounting finance marketing human resources production operations management or MIS **The Times Index** ,2013-02 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement *Britannica Book of the Year* ,2015 **The Digital Doctor: Hope, Hype, and Harm at the Dawn of Medicine's Computer Age** Robert Wachter,2015-04-10 The New York Times Science Bestseller from Robert Wachter Modern Healthcare s 1 Most Influential Physician Executive in the US While modern medicine produces miracles it also delivers care that is too often unsafe unreliable unsatisfying and impossibly expensive For the past few decades technology has been touted as the cure for all of healthcare s ills But medicine stubbornly resisted computerization until now Over the past five years thanks largely to billions of dollars in federal incentives healthcare has finally gone digital Yet once clinicians started using computers to actually deliver care it dawned on them that something was deeply wrong Why were doctors no longer making eye contact with their patients How could one of America s leading hospitals give a teenager a 39 fold overdose of a common antibiotic despite a state of the art computerized prescribing system How could a recruiting ad for physicians tout the absence of an electronic medical record as a major selling point Logically enough we ve pinned the problems on clunky software flawed implementations absurd regulations and bad karma It was all of those things but it was also something far more complicated And far more interesting Written with a rare combination of compelling stories and hard hitting analysis by one of the nation s most thoughtful physicians The Digital Doctor examines healthcare at the dawn of its computer age It tackles the hard questions from how technology is changing care at the bedside to whether government intervention has been useful or destructive And it does so with clarity insight humor and compassion Ultimately it is a hopeful story We need to recognize that computers in healthcare don t simply replace my doctor s scrawl with Helvetica 12 writes the author Dr Robert Wachter Instead they transform the work the people who do it and their relationships with each other and with patients Sure we should have thought of this sooner But it s not too late to get it right This riveting book offers the prescription for getting it right making it essential reading for everyone patient and provider alike who cares about our healthcare system **Bollywood Kitchen** Sri Rao,2017-11-07 You re invited to a party where the food and entertainment are both in Technicolor It s dinner and a movie in this vibrant beautifully photographed tour of Indian food and films Indian cuisine and Indian cinema known as Bollywood share much in common bold colors and flavors with plenty of drama But to the uninitiated they can seem dizzying Let Sri Rao be your guide As one of the only Americans working in Bollywood Sri is an expert on Indian musical films and as an avid cook he s taken his mom s authentic home cooked recipes and adapted them for the modern American kitchen The popularity of Indian food has grown

immensely in recent years and for good reason. It's perfectly suited for people who love bold flavors as well as those looking for vegan, vegetarian and gluten free meals that don't skimp on taste. But as Sri points out in *Bollywood Kitchen*, you've probably never tasted real Indian food. Home-cooked Indian American food is surprisingly simple to make using ingredients readily available in your local grocery store. In this book, you'll find dinner menus and brunch menus for kids and menus for cocktail parties. Along with each healthy and easy-to-prepare meal, Sri has paired one of his favorite Bollywood movies. Every one of these films is a musical packed with dazzling song and dance numbers that are the hallmark of Bollywood, beloved by millions of fans all over the world. Sri will introduce each film to you, explaining why you'll love it and letting you in on some juicy morsels from behind the scenes. *Bollywood Kitchen* is as much a beautiful coffee-table book as it is a cookbook, filled with gorgeous film photographs and colorful tablescapes. It's a unique treasure for Indian food lovers as well as fans of world cinema.
