those who've come for the big mountain recreation. Both camps enjoy the views from the Allalin where the world's highest revolving restaurant the Drehrestaurant Metro Alpin does a full rotation each hour. Steps away, adventurers stroll through the largest ice pavilion in the world, the Mittelallalin Eispann, a cave carved out of the glacier and embellished with sculptures and a chapel. At the heart of the Alps lies Switzerland, at the heart of Switzerland lies the Jungfrau region, and at the heart of the Jungfrau lies Interlaken. Tucked away in what is arguably the most spectacular Alpine scenery in the world, Interlaken enjoys renown for its diversity of outdoor adventures and its role as the Jungfrau region's mountain transportation hub. It's an inviting town, often a busy bustling place with back alleys, but few tourists take time to explore. These are just a few of the Swiss gems explored in this guide, equivalent to 160 print pages and loaded with detail on all the restaurants, hotels, shops, and activities you'll want to know about. Plus, there are maps and photos throughout. This is an excerpt from the much larger *Adventure Guide to the Alps*, which runs 500 pages in print and covers the German, French, Austrian, and Italian Alps as well.
