Invest Like a Girl Jessica Spangler, 2024-03-26. If you're looking for advice that will help you start investing right away, *Invest Like a Girl* delivers. This and more, Jessica's engaging guide will help women close the wealth gap, start important conversations, and finance their biggest dreams. Tiffany the Budgetnista, Aliche New York Times bestselling author of *Get Good with Money*. In a world where many women need to contend with the gender pay gap, take career breaks to raise families, and account for their longer lifespans when saving for retirement, investing is a surefire way to put yourself on a firm financial footing. And when women do start investing, they often land higher returns than men. However, as Dr. Jessica Spangler discovered when she shared her financial know-how online, understanding that investing is crucial is just the beginning. Many of her followers, as well as her real-life friends, coworkers, and even patients, wanted to know exactly how and where they could start. With *Invest Like a Girl*, Jessica shares the essential information and offers the game plans that women need to begin investing right away and according to their unique financial profiles. Filled with easy-to-implement tools, practical strategies, and real-life examples, this go-to guide to investing will provide the blueprint for you to take the next step with your money, teaching you how to prep your finances, get a clear picture of your net worth, and know exactly how much you can allocate for investing, no matter your income. Pick up the lingo of investing, understand the differences between ETFs, index funds, mutual funds, bonds, and options, and weigh the pros and cons of each. Manage risk without breaking a sweat. Determine your risk tolerance with a short quiz, learn to use the ups and downs of the market to your benefit, and discover how investing helps you beat inflation. Craft a customized strategy, outline your most important financial goals, figure out your personal investing style, and decide how to allocate your assets with the help of worksheets, checklists, and sample portfolios along the way. Whether you're looking to achieve financial independence, make strides toward important life goals, or set aside enough for retirement, *Invest Like a Girl* will get you up to speed and empower you to start investing and make sound decisions about your money.

The Flexible Investing Playbook

Robert Isbitts, 2010-07-01. How to make sensible investment decisions during these turbulent times. 2008 changed everything. Now more than ever, investors need to be proactive in planning for their retirement. To do so, they must look beyond simply investing in stocks and bonds while avoiding what may be overwhelming and even misleading investment advice. In *The Flexible Investing Playbook: Asset Allocation for Long Term Success*, Robert Isbitts, mutual fund manager, investment strategist, newsletter writer, and author of *Wall Street's Bull* and *How to Bear It*, shares the strategies he created and uses with his clients. This approach can potentially allow their portfolios to withstand the volatility of the stock market and subdue the emotional impact of investing to increase the chances of reaching their investment goals. Along the way, the book reviews the events of the 2008 financial market debacle and identifies key lessons investors should learn from that experience. Discusses how traditional approaches to diversification are fraught with risks and how they may endanger the pursuit of a secure retirement. Details why he believes investors cannot live on stocks and bonds alone while also describing how to properly diversify without sacrificing precious liquidity. *The Flexible Investing Playbook* he presents a proactive approach to investing that's based on the strategies Isbitts created, designed and currently manages.

Learn 2 Invest Kid

Pavi Toor, Jaiden Toor, Pravin Toor, 2023-11-18. We wrote *Learn 2 Invest Kid* with the intention of helping people become hopeful about their financial future. The idea for the book stemmed from our own need to raise money for Young Guns Weightlifting and Boxing Club, a free award-winning youth club created in 2019. When the pandemic arrived, the non-profit sector was hit especially hard. Funding from businesses and government was reduced or halted, fundraising galas were banned and traditional fundraising activities such as selling our protein donuts directly to the public were not allowed. Our club also had trouble obtaining funds so we decided to invest in dividend-paying stocks, freeing ourselves from having to apply for government grants and other funding. It worked. The goal of this book is to help readers learn about investing in blue-chip dividend-paying stocks. There are two ways to make money off stocks: Capital Appreciation and Dividends. Did you know that some companies such as Canadian banks have consistently paid their dividends for over 150 years? As dividends increase, the share price typically follows. We try to make this process easy to understand. Within the pages of this book, investment

concepts are broken down and analyzed successes and failures are discussed and research and patience are emphasized Many examples are used to help prepare the reader for the bumpy road of investing With simple language and using superheroes as examples we have found a unique way of presenting complex investment ideas that make it easy for the reader to understand Learn 2 Invest Kid will help readers gain confidence and show that investing in stocks is viable way of creating personal wealth Unfortunately this is not taught in schools
