

The UAE National Agenda Parameter

"Education is a fundamental element for the development of a nation and the best investment in its youth."

UAE VISION 2021

The UAE Vision 2021 National Agenda emphasises the development of a first-rate education system, which will require a complete transformation of the current education system and teaching methods. The National Agenda aims for all schools, universities and students to be equipped with Smart systems and devices as a basis for all teaching methods, projects and research. There will also be significant investments to promote and reinforce enrollment in preschools as this plays an important role in shaping children's personalities and their future.

In 2014, H.H. Sheikh Mohammed Bin Rashid launched the UAE National Agenda. It includes a set of strategic educational targets that shape the next phase of educational development in the UAE. The targets cover a wide range of areas that will have an impact on the quality of education and as well as students' achievements across the different phases.

Objectives - UAE National Agenda for Education

- PISA**
to be among the 20 highest performing countries.
- Completion of high school education**

How can you help as a parent?

- Encourage your child to read a variety of different sources - books, newspapers, tables. Have conversations with them about what this information tells you and why.
- Support your child in applying this information to real life contexts. Have conversations with them about their learning and why it is important.
- Students will receive homework including NAP based work. Support them to complete this in a quiet place, enabling them to practice their digital literacy.
- Be aware of NAP assessment and school's NAP target and your child's performance in PTE, NGRT, ABT, CAT4 etc.
- Work closely with school and maximize your child's potential.
