# National Civic Review Spring 1998

**Ed Bowker Staff, Staff Bowker, Ed**

## **National Civic Review Spring 1998:**

**National Civic Review, No. 1, Spring 1998** Jossey-Bass Publishers, NCR, 1998-03-01 Campaign finance low voter turnout the influence of public opinion polls proportional representation and emerging technology online and at the voting booth this issue is a comprehensive review of the many issues surrounding political reform at the beginning of the twenty first century Acknowledging their roots in the Progressive Era of the twentieth century contributors from the National Civic League call for a clear eyed commitment from all sectors to face today s challenges nationally and present lessons already learned from successful local and regional programs Articles highlight promising trends in volunteerism among young people and grassroots movements in campaign finance reform in Texas and Minnesota Specific programs in political education such as an innovative civic education project in Phoenix that develops the habits of responsible citizenship and voting in children are also examined Focusing on the core issues of democracy participation influence and access this issue is more than an overview of challenges met and challenges ahead on the progressive agenda of American democracy It is an inspirational call to begin the work that is before us     National Civic Review ,1914

**Contemporary American Federalism** Joseph F. Zimmerman, 2009-07-01 Traces the development of the American federal system of government focusing principally on the shifting balance of powers between the national government and the states     **State and Local Politics** David

Berman, 1999-09-28 Politics at the state and local level has never been more interesting than in our devolutionary age This popular text is the most concise readable and current introduction to the field Now in its ninth edition the book keeps its focus on the varied and changing political and economic environments in which state and local governments function and their strengths and weaknesses in key areas of public policy The text is enlivened by boxed sections that relate individual experiences or highlight particular issues and developments Topics covered in this edition include the drive toward devolution in the federal system taxation and budgeting the death penalty tort reform and changing approaches to welfare education land use and waste management     **The Federal Nation** I. Morgan, P. Davies, 2008-12-08 This volume gathers

contributors from both the US and UK to provide a comparative examination of federalism in the Bush era a period of huge change in national politics but also one of significant shifts in US federalism in relation to social and socioeconomic issues

**Campaign Finance Reform** Christopher Luna, 2001 Contributors explore the role of money in political campaigns Corporate influence soft money fund raising PACs the role of the FCC and First Amendment considerations are among the topics addressed     *Morality Politics in American Cities* Elaine B. Sharp, Yvette M. Alex-Assensoh, 2005 Topless bars casino gambling needle exchange programs for drug addicts there s no question morality issues remain front and center in urban politics Presenting a systematic analysis of culture war issues at the local level Elaine Sharp shows how American cities deal with these ongoing concerns Drawing on a sample of ten strategically chosen cities she explains differences in how municipalities respond to controversies surrounding sex business abortion clinics legalized gambling gay rights and drug use

By analyzing the relative importance of subculture economics and institutional arrangements in the disputes she points the way toward richer and more complete understanding of how different cities respond differently to these hot button issues Far more than a statistical study *Morality Politics in American Cities* is a collection of fascinating stories of real people grappling with down to earth issues and real life drama richly informative case studies that will captivate students and interested citizens alike Mayors public health directors activists and others speak their minds about the pros and cons of these controversies Here are officials in one city confronting the Vatican over funding for abortion services those in another battling a local university over its refusal to provide health benefits to gay partners of faculty members and still others mounting a massive community sponsored attack on topless clubs These stories provide detailed evidence to support classifications needed for comparing cities experience with each of the five morality issues They also corroborate inferences drawn from the comparisons by showing what considerations were in play as local officials grappled with these issues Overall the study shows that cultural factors usually dominate policymaking in local politics except when specific economic interests are at stake and also observes that county level governments are more important than previously thought in terms of morality issue decisions As provocative as it is informative *Morality Politics in American Cities* demonstrates that such issues same sex marriage for example are multidimensional and often difficult to resolve Its conclusions however contingent mark an important step in the ongoing process of understanding important differences in approaches to these issues and clearly show how moral conflicts continue to define American politics

**Books In Print 2004-2005** Ed Bowker Staff,Staff

Bowker, Ed,2004 **American Government** ,2001 This short inexpensive reader was created for the express purpose of combating student apathy toward the study of American government To engage students in the course material Professor Kidd has edited readings drawn from a variety of sources other disciplines the popular press that show students how the government is at work in all aspects of their lives The selections are prefaced by article summaries that focus student reading and include critical thinking questions that get students actively processing the material By presenting readings that make the study of government and politics relevant to students lives this unique new reader is sure to capture their interest and get them thinking about topics and issues in American government

**The Municipal Year Book** ,2004 The Facilitative

Leader in City Hall James H. Svara,2008-12-09 Providing a critical examination of government in American cities this volume presents the innovative view that mayors in council manager cities are better positioned to develop positive leadership than their peers in mayor council cities This book develops a deeper understanding of city government institutions with an examination of groundbreaking conceptual model of leadership and how it relates to local government forms Based on the observation of mayors who have served in the past decade in cities ranging in size from 1500 to 15 million fourteen case studies evaluate factors that contribute to effective leadership and highlight emerging issues faced by today s cities

*Promise and Performance of American Democracy* Jon R. Bond,Richard Abernathy Watson,Kevin B. Smith,2006 Grounded

in basic political science research yet readily accessible to undergraduates PROMISE AND PERFORMANCE uses the title s theme as an organizing framework for studying American Politics The promise of democracy is analyzed using four core values Popular Sovereignty Political Freedom Political Equality and Majority Rule Minority Rights and is further explored in several new features including Living the Promise and Promise and Policy boxes The performance part of the theme is then integrated with an assessment at the end of every chapter along with a concluding policy chapter Solid scholarship and writing makes this an ideal text not just for reading and learning but also as an example of how political science is researched and written by the practitioners in academia

**Reflecting All of Us** Robert Richie, Steven Hill, 1999-01-14 An original significant argument for sweeping electoral reform to strengthen our democratic institutions this book includes Richie s and Hill s lead essay along with responses by our most progressive politicians activists and scholars that offer a convincing argument for why proportional representation can correct many of our societal ills such as racial inequality and mistrust of political parties

**Iowa Journal of Communication** , 2004 Municipal Year Book International City Management Association, 2004-05 Place Matters Peter Dreier, John H. Mollenkopf, Todd Swanstrom, 2004 Analyzes the problematic trends facing America s cities and older suburbs and challenges us to put America s urban crisis back on the national agenda Disclosing Corruption Geetanee Napal, 2001

**The Referendum** Joseph F. Zimmerman, 2001-07-30 Examines and evaluates 16 types of referenda and offers model provisions to make them more effective

**Community and the Residential Location of Church Members** Thomas M. Bulten, 2000 **Elections '76** Congressional Quarterly, inc, Mercer Cross, Rhodes Cook, 1976

## **National Civic Review Spring 1998** Book Review: Unveiling the Magic of Language
