Clark,Mirani Litster,2022-03-08 When James Boswell famously lamented the irrationality of war in 1777 he noted the
universality of conflict across history and across space even reaching what he described as the gentle and benign southern
ocean nations This volume discusses archaeological evidence of conflict from those southern oceans from Palau and Guam to
Australia Vanuatu and Tonga the Marquesas Easter Island and New Zealand The evidence for conflict and warfare
encompasses defensive earthworks on Palau fortifications on Tonga and intricate pa sites in New Zealand It reports evidence
of reciprocal sacrifice to appease deities in several island nations and skirmishes and smaller scale conflicts including in
Easter Island This volume traces aspects of colonial era conflict in Australia and frontier battles in Vanuatu and discusses
depictions of World War II materiel in the rock art of Arnhem Land Among the causes and motives discussed in these papers
are pressure on resources the ebb and flow of significant climate events and the significant association of conflict with
