

# Native Americans In Sports

**Andrew C. Billings, Jason Edward Black**

## **Native Americans In Sports:**

**Native Americans in Sports** C. Richard King, 2015-03-10 Offers full coverage of Native American athletes and athletics from historical cultural and indigenous perspectives from before European intervention to the 21st century There are entries devoted to broader cultural themes and how these affect and are affected by the sport [Native Americans and Sport in North America](#) C. King, 2007-11-07 This text offers a considerate and critical account of the Native American sporting experience It challenges popular images of indigenous athletes and athletics exploring social categories particularly gender and race and their implications *Native American Sports & Games* Rob Staeger, 2014-09-29 Native Americans loved to play games From the United States to Mexico to Canada tribes everywhere played games as part of their rituals to cure diseases to make crops grow or sometimes just for the pure fun of the sport This book discusses the types of games played by various tribes in specific regions It also explains how these games were played and the significance religious and social of each contest *The Native American Identity in Sports* Frank A. Salamone, 2012-11-08 On October 15 1964 Billy Mills became the only American to win an Olympic Gold Medal for the 10 000 meters It was but one notable triumph in sports by a Native American Yet unlike Mills s achievement most significant contributions from Native Americans have gone unheralded From individual athletes teams and events it is clear that the Vanishing Americans are not vanishing but they are sadly overlooked The Native American Identity in Sports Creating and Preserving a Culture not only includes but goes beyond the great achievements of Billy Mills to note numerous other instances of Native American accomplishment and impact on sports This collection of essays examines how sport has contributed to shaping and expressing Native American identity from the attempt of the old Indian Schools to Americanize Native Americans through sport to the Indian mascot controversy and what it says about the broader public view of Native Americans Additional essays explore the contemporary use of the traditional sport Toka to combat obesity in some Native American communities the Seminoles commercialization of alligator wrestling a Native sport that was in fact only developed as a sport due to interest from tourists and much more The contributions to this volume not only tell the story of Native Americans participation in the world of sports but also how Native Americans have changed and enriched the sports world in the process For anyone interested in the deep effect sport has on culture The Native American Identity in Sports is an indispensable read [Native Americans in Sports](#) C. Richard King, 2004 **Native Athletes in Sport and Society** C. Richard King, 2005-01-01 Though many Americans might be aware of the Olympian and football Hall of Famer Jim Thorpe or of Navajo golfer Notah Begay few know of the fundamental role that Native athletes have played in modern sports introducing popular games and contests excelling as players and distinguishing themselves as coaches The full breadth and richness of this tradition unfolds in Native Athletes in Sport and Society which highlights the accomplishments of Indigenous athletes in the United States and Canada but also explores what these accomplishments have meant to Native American spectators and citizens alike Here are Thorpe and Begay as well as the Winnebago baseball player

George Johnson the Snohomish Notre Dame center Thomas Yarr the Penobscot baseball player Louis Francis Sockalexis and the Lakota basketball player SuAnne Big Crow Their stories are told alongside those of Native athletic teams such as the NFL's Oorang Indians the Shiprock Cardinals a Navajo women's basketball team the women athletes of the Six Nations Reserve and the Fort Shaw Indian Boarding School's girls basketball team who competed in the 1904 World's Fair Superstars and fallen stars journeymen and amateurs coaches and gatekeepers activists and tricksters appear side by side in this collection their stories articulating the issues of power and possibility difference and identity representation and remembrance that have shaped the means and meaning of American Indians playing sport in North America **Native Americans in Sports:**

**M-L C.** Richard King, 2004 Native Americans profiles nearly 200 past and present athletes and key personnel in sports ranging from archery to wrestling It also includes essays on cultural themes institutions teams and sport history

American Indian Sports Heritage Joseph B. Oxendine, 1995-01-01 Neither the highly commercialized nature of professional sports today nor the more casual attitude prevailing in amateur activities captures the essence of Indian sport writes Joseph B Oxendine Through sport Indians sought blessings from a higher spirit Sport that evolved from religious rites retained a spiritual dimension as seen in the attitude and manner of preparing and participating In American Indian Sports Heritage Oxendine discusses the history and importance in everyday life of ball games especially lacrosse running archery swimming snow snake hoop and pole and games of chance Indians gained nationwide visibility as athletes in baseball and football the teams at boarding schools such as the Carlisle Indian Industrial School in Pennsylvania and the Haskell Institute in Kansas were especially famous Oxendine describes the apex of Indian sports during the first three decades of the twentieth century and chronicles the decline since He looks at the career of the legendary Jim Thorpe and provides brief biographies of other Indian athletes before and after 1930 To Show What An Indian Can Do John Bloom, 2000 The

Real All Americans Sally Jenkins, 2008-08-12 Sally Jenkins bestselling co author of It's Not About the Bike revives a forgotten piece of history in The Real All Americans In doing so she has crafted a truly inspirational story about a Native American football team that is as much about football as Lance Armstrong's book was about a bike If you'd guess that Yale or Harvard ruled the college gridiron in 1911 and 1912 you'd be wrong The most popular team belonged to an institution called the Carlisle Indian Industrial School Its story begins with Lt Col Richard Henry Pratt a fierce abolitionist who believed that Native Americans deserved a place in American society In 1879 Pratt made a treacherous journey to the Dakota Territory to recruit Carlisle's first students Years later three students approached Pratt with the notion of forming a football team Pratt liked the idea and in less than twenty years the Carlisle football team was defeating their Ivy League opponents and in the process changing the way the game was played Sally Jenkins gives this story of unlikely champions a breathtaking immediacy We see the legendary Jim Thorpe kicking a winning field goal watch an injured Dwight D Eisenhower limping off the field and follow the glorious rise of Coach Glenn Pop Warner as well as his unexpected fall from grace The Real All Americans is about

the end of a culture and the birth of a game that has thrilled Americans for generations It is an inspiring reminder of the extraordinary things that can be achieved when we set aside our differences and embrace a common purpose     **Native Hoops** Wade Davies,2020-01-30 A prominent Navajo educator once told historian Peter Iverson that the five major sports on the Navajo Nation are basketball basketball basketball basketball and rodeo The Native American passion for basketball extends far beyond the Navajo whether on reservations or in cities among the young and the old Why basketball a relatively new sport should hold such a place in Native culture is the question Wade Davies takes up in *Native Hoops* Indian basketball was born of hard times and hard places its evolution traceable back to the boarding schools or Indian schools of the early twentieth century Davies describes the ways in which the sport plied as a tool of social control and cultural integration was adopted and transformed by Native students for their own purposes ultimately becoming the Rez ball that embodies Native American experience identity and community *Native Hoops* travels the continent from Alaska to North Carolina tying the rise of basketball and Native sports history to sweeping educational economic social and demographic trends through the course of the twentieth century Along the way the book highlights the toils and triumphs of well known athletes like Jim Thorpe and the 1904 Fort Shaw girl s team even as it brings to light the remarkable accomplishments of those whom history has until now left behind The first comprehensive history of American Indian basketball *Native Hoops* tells a story of hope achievement and celebration a story that reveals the redemptive power of sport and the transcendent spirit of Native culture

Native Games Chris Hallinan,Barry Judd,2013-07-19 Research on Indigenous participation in sport offers many opportunities to better understand the political issues of equality empowerment self determination and protection of culture and identity This volume compares and conceptualises the sociological significance of Indigenous sports in different international contexts     *The Routledge History of American Sport* Linda J. Borish,David K. Wiggins,Gerald R. Gems,2016-10-04 The *Routledge History of American Sport* provides the first comprehensive overview of historical research in American sport from the early Colonial period to the present day Considering sport through innovative themes and topics such as the business of sport material culture and sport the political uses of sport and gender and sport this text offers an interdisciplinary analysis of American leisure Rather than moving chronologically through American history or considering the historical origins of each sport these topics are dealt with organically within thematic chapters emphasizing the influence of sport on American society The volume is divided into eight thematic sections that include detailed original essays on particular facets of each theme Focusing on how sport has influenced the history of women minorities politics the media and culture these thematic chapters survey the major areas of debate and discussion The volume offers a comprehensive view of the history of sport in America pushing the field to consider new themes and approaches as well Including a roster of contributors renowned in their fields of expertise this ground breaking collection is essential reading for all those interested in the history of American sport     **Red Card** Jennifer E. Guiliano,2002     **Mascot Nation** Andrew C. Billings,Jason

Edward Black,2018-10-08 The issue of Native American mascots in sports raises passions but also a raft of often unasked questions Which voices get a hearing in an argument What meanings do we ascribe to mascots Who do these Indians and warriors really represent Andrew C Billings and Jason Edward Black go beyond the media bluster to reassess the mascot controversy Their multi dimensional study delves into the textual visual and ritualistic and performative aspects of sports mascots Their original research meanwhile surveys sports fans themselves on their thoughts when a specific mascot faces censure The result is a book that merges critical cultural analysis with qualitative data to offer an innovative approach to understanding the camps and fault lines on each side of the issue the stakes in mascot debates whether common ground can exist and if so how we might find it **The Native American Mascot Controversy** C. Richard King,2010-10-11 Sports mascots have been a tradition for decades Along with the usual lions and tigers many schools are represented by Native American images Once considered a benign practice numerous studies have proved just the opposite that the use of Native American mascots in educational institutions has perpetuated a shameful history of racial insensitivity The Native American Mascot Controversy provides an overview of the issues that have been associated with this topic for the past 40 years The book provides a comprehensive and critical account of the issues surrounding the controversy explicating the importance of anti Indian racism in education and how it might be challenged A collection of important primary documents and an extensive list of resources for further study are also included Expounding the dangers and damages associated with their continued use The Native American Mascot Controversy is a useful guide for anyone with an interest in race relations

Dancing at Halftime Carol Spindel,2002-10 A topical discussion of the controversial use of American Indian mascots by college level and professional sports teams **Native Athletes in Action!** Vincent Schilling,2016 A collection of biographies of Native American athletes Ethnicity and Sport in North American History and Culture George Eisen,David K. Wiggins,1994-08-23 The editors use the unique lens of the history of sports to examine ethnic experiences in North America since 1840 Comprised of 12 original essays and an Introduction it chronicles sport as a social institution through which various ethnic and racial groups attempted to find the way to social and psychological acceptance and cultural integration Included are chapters on Native Americans Irish Americans German Americans Canadians African Americans Italian Americans Hispanics and several more showing how their sports participation also provided these communities with some measure of social mobility self esteem and a shared pride **The Native American** ,1928

The Captivating Realm of Kindle Books: A Thorough Guide Unveiling the Pros of Kindle Books: A Realm of Convenience and Versatility E-book books, with their inherent portability and simplicity of access, have liberated readers from the limitations of hardcopy books.
