Natural Affection:

Learning to Love Bruce Bullock, 2013-03-27 In this book you'll find the way to heal deep rooted problems of every kind that plague people throughout the world There is widespread fear and anxiety that these are the last days and the end of the world Unless we learn accept and receive the love of Christ now we stand no chance of escaping the wrath or the tribulation coming suddenly as a thief in the night as Jesus has promised Many of us would be caught unprepared and have no idea what to expect Through the unconditional love of God alone you can dispel all those fears and anxieties and face that eventuality with perfect peace while you are yet on earth as it is in heaven By learning to love and to pray in love you can restore the most dysfunctional family reconcile with your spouse your children your employer or employees your creditors your irate neighbor and most of all with yourself Here you'll find how to rid yourself of anger and bitterness that alienate even your dearest loved ones from you as well as your boss your coworkers or your customers Open doors that have always been closed to you Learn what sufficiency in all things is and the peace that passes all understanding *Practical Observations on the Book of Ruth* C. Matthew McMahon, 2024-03-20 The Book of Ruth often perceived as a heartwarming love story is much deeper than its brief 85 verses may suggest Far from just a narrative of an impoverished outcast finding love through the guidance of her mother in law it holds a weighty place in the biblical canon universally acknowledged and inspired by the Holy Spirit for the enrichment of the Church But could there be more to it The true brilliance of Ruth lies in its core message It masterfully illustrates the concept of redemption and how it unfolds through the Kinsman Redeemer The historical context with Ruth's pivotal role as a Moabite convert to true faith further accentuates its significance Her union with Boaz a revered figure among his kin led to the birth of Obed the grandfather of King David The narrative was crafted to affirm David's legitimate claim to the throne emphasizing his divine lineage Yet the true essence of the book transcends earthly monarchies pointing towards King Jesus the Messiah our Spiritual David who emerges as the savior and the ultimate Kinsman In *Practical Observations on the Book of Ruth* McMahon explores this biblical masterpiece offering insightful verse by verse observations He presents it as a reflection of Christ's Covenant of Grace providing a comprehensive commentary on its relevance to the Christian faith and its practical implications for believers in their everyday lives **The Collected Works of Witness Lee, 1959, volume 2** Witness Lee, *The Collected Works of Witness Lee 1959 volume 2* contains messages given by Brother Witness Lee in June 1959 through September 1961 Historical information concerning Brother Lee's travels and the content of his ministry in 1959 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into five sections as follows 1 Fourteen messages given in Manila Philippines Hong Kong and Taipei Taiwan on June 14 through December 14 1959 Chapters 6 through 9 consist of messages given in Manila on June 14 through July 7 chapters 1 through 5 consist of messages given in Hong Kong on July 27 through the first part of August and chapters 10 through 14 consist of messages given in Taipei on August 19 through December 14 These messages
